

## **The Work in the Sunday School**

**T**HE League is particularly adaptable to the Sunday School, and appeals most forcibly to all Sunday School workers.

Its simplicity of operation, the fact that there are no fees in connection with it, and its effectiveness in bringing the Bible close to the scholars' lives, all make it of immense value to Sunday School work. At the same time it opens up a wonderfully wide avenue to each scholar to do definite Christian work. The League increases the Home Study Department, it improves the conduct of the Scholars, it creates an additional interest in the School, and has already led many girls and boys to Christ.

During the first two years of the League's work in Canada over thirty thousand Sunday School Scholars were enrolled as members of the Movement.

Each Local Secretary will receive definite instructions as to how best to introduce the League to the School.
