LEASED MASONIC HALL

Central G. W. V. A. is progressing apace, and the offices are expected to be found two weeks hence at the new club rooms, 41 Isabella street. The branch has leased the Masonic Hall at Davenport Road for the season, and will hold all social events there for some months to come. The opening of the hall to the veterans will be signalled on Saturday night by a grand eucharist, and a very, interesting evening is anticipated.

EMPLOYMENT AGENCY LICENSES

Central G. W. V. A. is sponsoring a resolution to request the government to be very careful to investigate the bona fides of all applicants for licenses as private employment agencies, and urges that special care be taken that no licenses be granted to aliens, also that the government bureau charge every alien fees for every job, these charges to be funded for the upkeep of the agencies. The resolution further asks that preference in positions at the agencies, private or government, be given to returned men. This resolution is to be considered at the next meeting of the branch which is to be held shortly. It was pointed out yesterday afternoon by members of the branch that in view of the fact that the government labor bureau as at present constituted was open to the general public large numbers of aliens were applying for work to the general detriment of returned men.

DELEGATES REACH WEST

Comrade Brookbank of Central G. W. V. A. has wired to the branch the safe arrival of himself and his colleague, Dr. C. E. Wilson. Both are about to enter the vortex of the greatest convention in the annals of the association. Central in collaboration with Riverside, Earlscourt and West Toronto will vote strongly in favor of the Calgary resolution for the \$2,000 gratuity, and there are rumors that Ontario will back up these branches in their fight for the resolution. They are not confirmed.

OBJECT TO FREIGHT CHARGES

G.A.C. and other veterans are up in arms against the proviso of the militia that freightage shall be charged on all goods sold at points away from centres of distribution, and many returned men stated yesterday afternoon that the freightage charges would counter any economy that might ensue from selling surplus stock at cost. It was pointed out that there were many other evils in the system as administered, and that in order to be of service to the families of the returned men many changes would have to be effected in the management of the whole scheme.

Big First of July Celebration in Guelph, Under G.W.V.A. Lead

Special to The Toronto World. Guelph, Ont., June 30.—Preparations for the big first of July celebration under the auspices of the local branch of the G. W. V. A. to be held tomorrow at Exhibition Park are completed. The races promise to be very well contested and good sport is certain while the fireworks display at night will be one of the very best pyrotechnic displays ever seen in Guelph.

SOLDIER TEACHERS ANSWER THE CALL

It is announced by the Ontario education department that over three hundred returned soldiers have responded to the call for teachers to undertake the special training course which Major Harrie, B.A., has been working upon on the instructions of Hon. Dr. Cuddy, minister of education. Of these applicants, 78 have already been accepted. The course will be conducted by Principal Radcliffe of the Toronto Normal School, assisted by Dr. Emergent, science master at the Stratford Normal School and Mr. Prndergast, mathematical instructor at the Toronto Normal School.
