THE WEATHER

Meteorological Office, Toronto, Sept. 3. 3 p.m.—A moderate disturbance centered tonight south of Nova Scotia, causing rain throughout the Maritime Provinces. In all other parts of the Dominion the weather has been fair. Minimum and maximum temperatures: Vancouver, 54-68; Kamloops, 53-75; Calgary, 53-70; Edmonton, 48-70; Medicine Hat, 55-78; Battleford, 48-68; Port Arthur, 48-75; Perry Sound, 48-74; London, 48-51; Toronto, 52-68; Kingston, 58-64; Ottawa, 50-62; Montreal, 52-78; Quebec, 56-71; St. John, 54-62; Halifax, 52-72.

Probabilities—Bay—Moderate northwest winds; fair; not much change in temperature. Ottawa Valley and Upper St. Lawrence—Moderate to fresh northwest winds; fair, with stationary or lower temperatures. Lower St. Lawrence—Fresh northwest winds; fair, stationary, or lower temperatures. North Shore—Strong northeast to northwest winds; showers; chiefly in eastern districts. Maritime—Strong winds from north-west and west; showers in some places at first; clearing by night. Superior—Moderate northwest winds; fair; not much change in temperature. Manitoba and Saskatchewan—Fair, with a little higher temperature. Alberta—A few local showers, but mostly fair, with stationary or higher temperature.

Wednesday, Sept. 3, 1919. All routes delayed four hours and 25 minutes at 5 p.m. General delay, power being off.

JEWISH ORPHANS' HOME OPPOSED BY RESIDENTS

Ald. Graham called the attention of the members of the board of control yesterday to the fact that the city owns valuable land at St. Clair and Bathurst street, also Wells Hill road. He said that he had learned that a Jewish fraternity was planning to erect an orphanage on the land adjoining, and that the deal was just about to be completed. He asked that the board take some action to restrain them. City solicitor Johnson said that the city could not stop an orphanage building in a residential section so long as it complied with the building by-law.

It was decided to ask Mr. Hastings, the M.O.H., his opinion on the matter.

Harper, customs broker, 35 West Wellington street, corner Bay, Adelaide 4629.

COUNCIL WILL MEET TO DISCUSS STADIUM

A special meeting of the city council will be called for Monday next for the express purpose of taking up the matter of the proposed stadium at Rosedale. The board of control has already recommended the Rosedale site, but there is likely to be a great opposition to it on the part of the members, and with Controller McBride fighting strenuously for it, the meeting promises to be a very lively one.

AWARD IN DISPUTE WITH ELECTRICIANS

Gives New Time and Wage Schedule for T. S. R. and Power Co. Men.

Ottawa, Sept. 3.—A majority report of the board of conciliation appointed by the minister of labor to investigate the dispute between the Toronto Railway Company, the Toronto Electric Light Company Limited, and their electrical workers, has been received at the labor department here. The report deals also with the dispute between the Toronto Power Company and its employees domiciled in the city of Toronto, but not with those outside the city. It is signed by the chairman, Judge Denton, and W. H. Harper, representing the employees, but the other member of the board, William H. Moore, who represented the companies, refuses to sign. The report, which goes into the questions under discussion at some length, especially that of a new wage schedule for the employees, recommends an eight-hour day with four hours on Saturday, for employees other than those on shifts, time and a half for first five hours overtime and double time for all in excess of that, and the observance of all statutory holidays. It recommends that employees shall have one complete day's rest in seven, that the shift start / work not earlier than seven o'clock in the morning and not later than nine o'clock, and that they shall stop not later than six p.m. on week days. It provides that employees who receive a weekly or monthly salary shall not be paid overtime for extra work, but instead of this they shall, at the end of a year's service, be given two weeks' holidays with full pay. Employees shall not be asked to work outside in rainy, stormy or very cold weather unless such work is absolutely necessary.

Method of Promotion.

The board recommends also that all provisions on the grounds of seniority, and that no discrimination shall be shown against employees who are members of the Brotherhood of Electrical Workers.

Schedule of Wages.

Appended to the report is a schedule of wages which the board recommends for the employees of the three companies involved. The schedule of the Toronto Electric Light Company recommends that equipment repairmen shall be paid from 45 to 68 cents an hour; service inspectors, \$22 to \$25 a week; linemen, \$1 to 70 cents an hour; wiremen, \$4 to 65 cents an hour; joiners, \$8 to 68 cents an hour; meter inspectors, testers, experts, etc., from \$21 to \$23 a week; station operators and attendants, \$8 to 65 cents per hour; and foremen, \$29 to \$34 per week. The schedules applicable to the other companies are similar.

EMBALMERS' ASSOCIATION IN ANNUAL CONVENTION

The thirty-sixth annual convention of the Canadian Embalmers' Association is being held in Toronto University this week. President Norman Brandon of St. Mary's is chairman of the principal meetings, and Vice-President P. F. Morris of Bowmanville is in charge of the sub-committees. Prof. Chas. Renouard of New York City gave a lecture on the history of embalming from the earliest times on the opening day, and yesterday morning Prof. Clifford Askin of Indianapolis gave a splendid talk on "Business Methods." Yesterday afternoon the annual picnic and games were held at Island Park, and the events brought out the largest attendance in the history of the organization. Jules Brazil and Will White were the entertainers.

I'LL GET HIM YET!

Mayor Church's suggestion to appoint John O'Neill and John Dunn, along with some others to operate the municipal abattoir and cattle market for the city was turned down by the board of control yesterday, the members deciding to hold a special meeting to consider the question.

Members of the fire department are to be permitted to take part in politics so far as the city is concerned. The ban prohibiting this form of amusement was lifted from their rules yesterday by the board of control. This was done when Controller Robbins' motion to cut out section 12 of the by-law was carried.

SHOT AT WIFE WITH BLANK CARTRIDGES
Before Judge Morson yesterday, Mrs. Geo. Woodward testified that, as her husband had beaten her when she was with him, she refused to go back. Woodward had fired a revolver at her. Plainclothesman Tom Forbes said that, when he arrested the husband, he found that the three shells were blank. Judge Morson added ten days to the ten Woodward has already spent in jail awaiting trial on a charge of shooting with intent.

WANT SAFETY ZONES.
The Ontario Safety League asked the board of control yesterday to pass a bylaw to enforce the observance of safety zones. As the works committee has the matter in hand, the communication was passed on to them.

FUNDS FOR DRAINAGE.
The board of control yesterday agreed to the recommendation of Works Commissioner Harris for funds to the amount of \$4773 for the purpose of providing drainage for the Chaplin estate. North Toronto, the funds to be included in next year's estimates.

SEPTEMBER IN ALGONQUIN PARK
September is one of the most delightful months of the year in the "Highlands of Ontario," and Algonquin Park offers attractions, that are not found in other districts. It is situated at an altitude of 2000 feet above the level of the sea, assuring visitors of pure, bracing air that rejuvenates body and mind. A few days here is better than ounces of tonics and saves doctor bills. The territory is also a means of access via the Grand Trunk, 200 miles north of Toronto, and 170 miles west of Ottawa.

The Highland Inn, a charming caravansera, affords most comfortable accommodation at reasonable rates. The inn is heated by steam, grate fires for cool evenings and cheer to the indoor pleasure. The cuisine is all that can be desired. Good fishing in the many lakes in close proximity to the hotel. A fine clay tennis court offers a means of physical exercise. "The Highland Inn" is operated by the Grand Trunk Railway and will close for the season on Sept. 30, so make your reservations early. Illustrated descriptive literature telling you all about it from any Grand Trunk agent, or write Mr. N. T. Clarke, manager, Highland Inn, Algonquin Park, Ont.

6 O'CLOCK SHARP EACH EVENING.

Victory Festival and March of Remembrance.
Grand Stand Spectacle Rich in Historical Significance.
1500 Performers, Superb Musical Treatment.

The Star says—The management of the C. N. E. have spared no pains or expense to make the grand stand spectacle one worthy of the year of peace.

Telegram—Imposing scenic effects, magnificent patriotic spectacle delights thousands of spectators. The applause never ceased until "God Save the King" brought to its close the most famous day in the history of the Exhibition.

Mail and Empire—There is something back of it far more significant of the hearts of the people than any amount of outward display.

Globe—One of the most outstanding features was the singing of the hidden choir, which rendered "The Holy City," and "The Chant of Freedom" most artistically, the voices blending with excellent effect.
