Lady Marguerite is a handsome, big three-year-old filly, weighing 1800 lbs., and not overly fat at that. With her size, she is not awkward, nor, indeed, does she look her weight, being in all

s mr. Clarke lets these pigs run all summer on his grass fields without all does she look her weight, being in all ditional feed to the brood sows. These in mariably, say's he, are fat and in good breeding condition in the fail. Under liberal feeding they respond very readily to the scales and 200 be.

She has good, clean, flat bone, good power, readily to the scales and 200 be.

She has good, clean, flat bone, good present the fail. Under liberal feeding they respond very readily to the scales and 200 be.

Mr. Clarke feels that the Ottawa palive stock show and the government generally have discriminated against his breed, in not giving more attention them.

He reports that he is sold out of breeding stock now. His orders have been from all over Ontario and the maritime provinces. His prizes at Ottawa were quite satisfactory to him, not having as big a herd at present as he generally keeps.

In a recent article in an Ottawa paler he shows how his herd registration this year has run up to 120. He claims this is evidence enough that the Chester hog has a place in Cantada.

FEATHERSTON'S YORKSHIRES.

Mr. Clarke lets thee brood sows. These flook with and market. She has good clean, flat bone, good does she look her weight, being in all does she look her weight, being in all does she look her weight, being in all does she look her weight, being and look of preading the cell, and the fail.

She has good clean, flat bone, good warysburgh, large house, barn, shed sand dition. It is saying all when she will carry the ranywhere with splendid action. It is saying all when she two first in he set stock farms in Prince Edward. Well watered, timbered, fenced and in high dulitivation. Will be sold acres, with suitable building on each. Conton them.

He reports that he is sold out of breeding stock now. His orders have been from all over Ontario and the well-built, strong and handsome, weighing over a ton. Her sire is Two. One of McQueen's best celts, and one which, if we judge by his stock, and one which, if we judge by his s
