

POSTAL EMPLOYEES ARE DISSATISFIED WITH GOVT.'S AWARD

Toronto Men Defer Strike
Vote Till September.

CONVENTION MAY DECIDE

Winnipeg Men Will Agitate
for Further Increase and
Natty Uniforms.

TORONTO, Aug. 20.—Local letter-carriers and postal clerks decided at their meeting tonight to leave the question of acceptance or rejection of the award of the sub-committee of the privy council in the matter of increased salaries over until the Dominion convention to be held in Hamilton September 4, 5 and 6. The award was discussed at length and a motion to go on strike was brought before the meeting, but decision on this was also postponed to the Hamilton convention.

WINNIPEG NOT SUITED.
WINNIPEG, Aug. 20.—The increase which the Dominion Government has made in the wages paid postal employees, and they intend to agitate for a further increase and better working conditions. They also want uniforms similar to those supplied to the Northwest Mounted Police, suitable to different climatic conditions.

AUSTRALIA OBJECTS TO CERTAIN THINGS BORDEN "DOTES ON"

Overseas War Minister and
High Commissioner
Needless.

MELBOURNE, Aug. 20.—(Canadian Press Dispatch From Reuters, Limited).—The Australian press welcomed the recognition of the status of the dominions as war partners by the permanent representation in the war cabinet, but unanimously objects to the maintenance of two London establishments, namely, that of high commissioner and of war minister.

The Melbourne Age recommends the appointment of the high commissioner as honorary minister if it is essential for the representation of the dominions in public affairs, but his knowledge of Australian policy, and his ability to represent the dominion's interests.

SEEKS CAUSE OF FEVER.
CHATHAM, Aug. 20.—Dr. Bell of the provincial health department, Toronto, is in the city making blood tests of all connected with the distribution of milk. This is being done in connection with the effort to locate the cause of the fever which is causing some trouble locally.

Are You Deceived?

Have you been led to believe that the knife is the only cure for piles?

If so, it is unfortunate, for many thousands are being cured by the use of Dr. Chase's Ointment. Sometimes after operations have failed, and when doctors have said that an operation was the only hope.

It won't cost you much to try this treatment in your own home. It is sure to relieve, and usually effects complete cure.

CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! See if tongue is coated, breath hot or stomach sour.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping. When cross, irritable, feverish, or breath is bad, stomach sour, look at the tongue. Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given. Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fruit Syrup Company."

INGERSOLL, Aug. 20.—Much interest has been aroused in a case in which Constable John Haycock, who is also bailiff, is charged by Chief of Police Holmes with having liquor in a place other than a private dwelling.

Haycock has been employed as night watchman at the Ingersoll gas plant, and on Monday night Chief Holmes and Constable Gould visited the plant. The chief had a search warrant, and as a result of the visit a bottle of whiskey was found in Haycock's car, near the plant. Today the case was adjourned until Tuesday, August 27.
