into the vocation he likes and not drift along in any job because it offers a salary to live on. "Find a position you want to follow at an early enough date so as not to be too late to make the most out of life. Your parents, most likely, will decide which vocation they wish you to follow; do not altogether disregard this advice, but try it. Their experience will undoubtedly help you, but if you are not suited try one which you think you will like. Try till you find a position that you like and you are sure to make a success out of life."

Many Possibilities.

Mayor C. R. Somerville presided at the meeting and spoke a few words on the social order and will not be gain by revolution C. MacGregor ing sermon at the course out of life."

Many Possibilities.

The speaker pointed out the possibilities there were in the teaching of the Christianity of the transhing for the charce in working for the christianity from an educational standpoint. There is Christianity from an education at such a capacitation of the beautiful to grapple with and togation of God are awalting for just such an engineer to build machinery he must be an engineer for social work. Every life workers' job or calling an engineer is the teaching of the Canadian corps. There were artillery men cavalry, airmen, shoemakers, tailors, and nearly every vocation was represented in the army and all were

Mayor C. R. Somerville presided at the meeting and spoke a few words on the success of the rising generation which would follow is they pursued the vocation that they liked in life. He backed this up by giving some of his own experiences when he was a young man, and the different positions he held before he found the right one, which he kept up to the time of his retirement. The Audtorium was packed with interested listeners. ested listeners.

"A RUSSIAN HONEYMOON" PRESENTED AT LOBO

The play entitled "A Russiam Honeymoon" was presented recently in the town hall, Lobo Township, by the Coidstream Dramatic Club. In spite of the unfavorable weather and other detering factors a remarkably large audience turned out and enjoyed the performance. It will be repeated tonight, when a full house is expected. The proceeds are for reconstruction work proceeds are for reconstruction work in France.

LONDONER'S MOTHER BURIED. DUART, March 30.—Mrs. Agnes Mcugan, residing three miles south of uart, died on Tuesday from the efects of a paralytic stroke. The desed was in her 69th year, and had afflicted with heart trouble for time nast. The funeral was held riday, with services at her late ence, and interment in the Duart etery. She is survived by one and two daughters: Alexander, of hit Minnie, at home, and Mrs. Campbell, of Blenheim.
