IRON FOR STRENGTH

You need iron in the blood! Every healthy man or woman should have about as much iron in his or her body as there is in an ordinary railroad spike. To gain this iron, the best way is to take Tonal-iron Capsules, a mbination of iron in its most soluble form, recently discovered, and now having a marvelous sale. Tonal-iron Capsules are a form of iron readily taken up by the blood. The blood cells get round, rich red in color, the cheeks are pink, the appetite improves, and one feels full of "snap"—"pep"—"vigor"—Instead of tired before the day is half done. The eyes take on a lustre and the body feels that tingle which one gets from a cold bath.

#### ANOTHER BAND CONCERT AT SPRINGBANK SUNDAY

The people of London and the suburb have become so taken with the Sunday evening band concerts and services given at Springbank for the last few weeks that it has been decided to give them a few more musical treats while the charming outdoor weather lasts.

This coming Sunday evening, for a variation, the Majestic Concertorful variation, instead of the Majestic Concert Orchestra, the Great War Veterans' Association Concert Band will provide the music. Another feature of the concert which should be greatly appreciated will be the appearance of Archdeacon Jones-Bateman, who served the entire period of the war as chaplain in of Brmuda to tak a war post, bliving the imperial army, refusing the Bishopric of Bermuda to take a war post, believing that he could render more service in the fields of France and Belgium than on the island off the coast of America. PARTIES OF VETERANS

ARRIVE IN THIS CITY

Shortly after 1 o'clock this morning a party of four officers and 204 other ranks for this district, off the S.S. Saturnia, arrived at the Quebec street station of the C. P. R., and proceeding directly from the depot to Carling Heights, the soldiers were dispersed.

Before proceeding to their respective homes the soldiers were served with luncheon by the local ladies of the Red Cross in the dining-hall at Tecumsel Barracks. There was a fair crowd of relatives and friends on hand at the station to welcome the veterans home. Veterans and dependents who crossed the Atlantic on the S.S. #### DANCING ON GREEN IN VICTORIA PARK DECIDED SUCCESS

Victoria Park looked like the village green of olden days on Thursday evening, when dancing on the green was participated in by a large number of maidens and their friends of the 33rd Battalion. The 7th Regiment Band provided a delightful musical program, following which they were very liberal with suitable music for the dancing.

Very few ventured to dance on the green at first, it being a rather new and novel incident in London, but before the close of the evening's program there were many dancing under the trees.

The 33rd Comrades Club, under whose auspices the evening program was planned, had made arrangements to have the dancing and concert on Monday in the park, but inclement weather prevailed.

I suffered terribly from rheumatism, too, and sometimes my feet and legs were so badly swollen that I couldn't walk, and my arms would get so stiff and sore that I couldn't use them at all. More than half the time, I wasn't able to wear my shoes. In fact, I had gotten to where I was in misery nearly all the time. Well, to make a long story short, I am perfectly well again, and Tanlac is responsible for it. Why, I honestly feel twenty years younger, and am so well and strong now that I can get around and do all my housework without the least trouble, I have a fine appetite, and eat just anything I want and never suffer the least bit afterwards.
