DUNDAS CENTRE CLASS HAS DAY AT SPRINGBANK

Young Ladies Enjoy Picnic With Novel Events.

The young ladies of Class 27 of Dundas Centre Methodist Church Sunday school held their annual picnic recently at Springbank, when upwards of 60 members and their friends attended. Quite a little amusement was created in the events of the evening. To see men and women running up to a clothesline and pulling out clothespins with their teeth, while their hands were tied behind their backs, provoked much merriment. That men can hang out clothes in record time at a picnic (something which they never attempt to do at home) was a novel feature of the games. One man pined two or three articles together, but was barred out, because that it were not to be easier to walk backwards than forwards. That it were not to be tried by name who won the potato race was easily seen. The element race was surprised many that poor judgment they had when it came to throwing a ball at a bell suspended in a hoop.

HARD WORKING WOMAN

Knows From Experience That Nothing Equals Vinol to Create Strength.

Hommel, N. J.—"I live on a farm, and am a hard-working woman, and for weak, run-down, overworked conditions have found nothing that will create an appetite, build me up, and make me strong, equal to Vinol." Mrs. Thomas Ellis. The reason we recommend Vinol for such conditions is because it is a constitutional remedy, and all of its ingredients are printed on each package, which will prove that it is a safe and valuable remedy to create strength for weak, run-down, overworked men, women and children. WOULD IRISH AUTONOMY NECESSITATE CHANGE IN UNION JACK OF BRITAIN?

Discussion on This Point Free Among Irishmen in City.

Home rule for Ireland is the subject of prolific discussion now among local Irishmen. In one instance a rather interesting point was under consideration. It was as to whether the granting of autonomy to Ireland would affect the form of the British flag. One man contended that the red St. Patrick's cross would have to be side, pains in the shoulder blade—its purely a case of "Liver."

MEN! MEN! TRY IT TONIGHT—FEEL FINE TOMORROW

Simple Way to Get "Pop." To Be Put Right On Your Feet.

When a man has lost ambition to "dig in" and stay at things—when he complains of headache, fullness in the right side, pains in the shoulder blade—its purely a case of "Liver." These symptoms invariably indicate a clogged, inactive liver. The body can't get rid of its wastes, and the whole system is half-paralyzed. Dr. Hamilton's Pills stimulate the liver into activity in one night. Being a mild vegetable laxative they produce results in a few hours. The bilious headache and constipation are cured, spirits rise, complexion clears, animation returns. Nothing in the calendar so efficient for that tired, lazy feeling as Dr. Hamilton's Pills. Very mild, don't interfere with work, invariably do lots of good. Try a 25c box, all dealers.

LABOR UNION MEN AT CHURCH SERVICE IN CHELSEA GREEN

Speaking to the labor unions of the city on Sunday evening in Chelsea Green Presbyterian Church on "The Church and Its Relation to Industrial Conditions in the World," Rev. John Crawford, B.A., said: "The church must become a mediator between the opposing elements in democracy, capital and labor of the world."
