

# Boxing Kaufman Has Margin

## Note and Comment

A bet has been made on the old question: Was J. L. Sullivan champion of the world? This paper has taken the affirmative. The fight books all give the Boston gladiator the crown, the record running like this:

1888—John L. Sullivan beat Jake Kilrain, \$10,000 a side, at Richmond, Miss., July 17, in 7 rounds, and world's championship.

The Sullivan-Kilrain match was made and the articles drawn up in the old Ross House in Toronto, a copy of which has this paragraph: "The said fight shall be for the diamond ring representing the championship of the world."

Corbett won the world's championship by defeating Sullivan in 1892 and was so recognized before he defeated Charlie Mitchell, which was in '94.

Thirty-two good skips and true still remain in the single-rink championship, and they will only start to reduce again next Monday night, according to present plans. Meanwhile a suggestion has been made that they start all over again, going back to the original pinety. This would require a method of keeping some skips in the running.

There was less than four degrees of frost on the outside yesterday, and water on the ice in the rinks. Consequently, the five single rinks, the Tankard teams and the ambitious District Cuppers were obliged to go without even a workout.

To make matters worse, the friendly games have been declared off to-night owing to the unfavorable prospects, and unless a colder snap comes they will be no Tankard primaries to-morrow.

According to the latest advices from Australia, Tommy Burns has been resting for sometime in Sydney, after several days' stay at Brisbane, where he had had a good time generally. He attended the races held there, and also had a go at some pigeon shooting, and, although he does not pretend to anything great in this line, he did very well. Burns, by the way, has put on a tremendous amount of flesh during the past twelve months.

Admirers of Hans Wagner say that even if he does play first next season, he will still be able to do some of the wallop that was taken care of by the shortstop. They figure that at times he will even back up the third-baseman.

No one ever dreamed that betting at races had so important a bearing on the class of horses in general till he read the evidence given before the anti-gambling committee at Ottawa. So far the racing men seem to have been successful in their efforts to prove to the committee that betting is likely to be legalized at the race tracks, which is just what the gamblers desire, instead of the pari-mutuel system, that is the only method for proper control. Ordinary betting by state lotteries is the best crookedness at race tracks, and this is what parliament should endeavor to eradicate. No matter how good the horses are, the officials, those Sherny bookmakers, colored jockeys and Yankee owners are sure to get the information about the dead ends. Then, the long prices go up, and the tenderfist burn their money.

With the mutuels, the public, not the layers, make the odds.

# ST. PAULS GREAT FINISH

## NOSE OUT T.C.C. 6 TO 5

### Barrie Keep Up Winning Streak—St. Miques Win in Overtime—Argos vs T.C.C. To-night

St. Pauls, by a great finish in the second half, defeated Toronto Canoe Club in the Intermediate O.H.A. series at Mutual-street rink last night, by a score of 6 to 5. Toronto Canoe Club were ahead at half-time, 3 to 2, and looked to have the game stored away in the second period, when they led St. Pauls, 5 to 2, but St. Pauls came strong at the finish, tying the score in the last five minutes, while shortly afterwards Curson tallied the winning goal.

There were many features to the game, which was the best of the best of the season. St. Pauls played very well, and would put some of the senior exhibitions to shame. St. Pauls were much the better team, but they were willing to mix it up at every stage, this being noticeable in the second half, when they received an injury from Jay, which looked accidental, but immediately on resuming play it was soon seen that the whole St. Paul team were out to get Jay.

Referee Wagmore had his troubles in handling the teams, and there were numerous delays, one of which was a broken arc lamp, the game was not completed till 11 o'clock. Curson, however, missed one glaring offence on St. Pauls, when they scored the tying goal, in handing the puck to the goal. The officers of the club say they considered Graham a bona-fide resident of Gravenhurst, as he had been born there and lived there most of his life. He played last season with the Gravenhurst Club, and never played hockey any place else in his life. The admiral Graham was away from home temporarily this fall following his trade as a painter with the G.T.R., returning home at least every two weeks.

Players registered yesterday in the O.H.A. (Junior)—Bert Githuly, Kingston (Junior)—Robert Duncan, Bertha, Parkdale C. C. (senior)—Allen Chase, E. Wallace.

Hockey (Intermediate)—G. R. Porter, John B. O'Hara, Walter Miers, W. E. Lamb, N. S. Gordon, J. V. Gilpin, Norwood, G. D. Dill, George E. Stan, Robert Simmie, J. E. Trout, Ivan Corrigan, Sox Miers.

The hockey practices at Mutual-street to-night are T.A.C. at 6.30 and St. Helens at 7.15.

Eaton's hockey team will be the guests of the P. Eaton Company at St. Pauls to-night, where they will occupy boxes, while a week from to-day they will be given an auto ride to Oshawa.

Palmer, the point player for U.C.C., was injured at the Mutual-street rink last Saturday night. No official has been agreed upon yet. Ottawa fans have asked for a decision.

### Officials for Friday Night

The following officials have been appointed for the Mutual-street rink on Friday night: Hon. referee—Inspector Stark; Referee—Good W. Merritt; President—J. H. W. Ward; Controller—George J. Joseph; Thompson, Tim O'Rourke; Starter—J. McGarry; Assistant starter—Murdock McDonald; Timers—Francis Nelson, N. H. Crow, Frederick Pearce; Linesmen—Bride, Clerk of course—W. G. McClelland; Assistant—James Higgins; Judges of walk—Chick, Don Laidon; Don Laidon, combination work, and 19 seconds later Palmer repeated, making it 2-1.

In the second half, Sidley, at point for the Irishmen, Aid. Sean, made a nice little rush for St. Miques, and on a pass from Belliside, Sidley scored. Two Irishmen, however, scored after a nice pretty combination work, and 19 seconds later Palmer repeated, making it 2-1.

Belliside and Spratt worked a nice combination and put one over that beat Blackstock, making it 3-1 at this point. U.C.C. was the game at this point became very rough, and Spratt of St. Miques and Belliside of U.C.C. were the main players. Three minutes later Sidley, the big lad from B.C., came down and beat Blackstock for another goal, making it 4-1.

In the first five minutes of the extra time Palmer scored for U.C.C., but Spratt of the Irishmen, and Burkat, came down in the second period of extra time. Both teams were about all in, and after a little more body-checking, Goulouck dropped the ice, Curleton going off to even up.

In the first five minutes of the final period both Palmer and Burkat came down and again, but were always stopped by Sidley or Kirby, who took the puck for a forty-five second rest. U.C.C. got an intercepted pass, put one over for another goal for St. Miques. In the final five minutes of the game, Sidley worked like a beaver, and in goal had two goals, but at that he did not score. Sidley, however, scored after an end-to-end rush Spratt put over the winning goal for St. Miques.

Belliside was probably the best man on the ice, the Spratt played a strong game at right wing, and Sidley, at point for U.C.C., Palmer and Burkat started, and W. Griffith, who was the best of the U.C.C. players, was in goal. Blackstock in goal stopped a lot of good ones, but at that he did not score. Sidley, however, scored after an end-to-end rush Spratt put over the winning goal for St. Miques.

St. Miques (G)—Goal, Murray; left wing, Belliside; right, Spratt; left, Curleton; U.C.C. (G)—Goal, Blackstock; point, Belliside; center, Goulouck; right, Clarke; left, Belliside; right, Goulouck; left, Hal-lam.

Referee—E. J. Livingston.

### San Francisco Wants the Fight

SAN FRANCISCO, Jan. 19.—When Jack Gleason can satisfy us that he alone is the controlling spirit in this Jeffries and Johnson fight, he can have the permit for a forty-five second rest in the "city," is the statement made by John L. Herget, chairman of the police commission of the board of supervisors. "Gleason can conduct that fight here, and no one else. If Gleason cares to bring the fight in and here as a partner, all well and good, but Rickard's application would not be considered. The committee will be considered, a majority of the board of supervisors, and pretty nearly the whole city administration are anxious that the fight should come to San Francisco."

### Beaten Tennis Players Home

SAN FRANCISCO, Jan. 19.—Morris McLoughlin and Melville Lonn, two California tennis players, returned home last night from Australia, where they had just won the national tennis tournament. Both said that they had the best of treatment in the antipodes, where they were defeated in the contest for the Davis International Trophy.

## Andy Sutherland's Great Rolling

### Averages 220 1-5

In the Two-Man League yesterday, the Brunsvicks won five games from College on the latter's alleys, the feature being the rolling of Andy Sutherland, who averaged 220 1-5, which is only four pins behind Frank Johnston's average. Andy was in great form, all his games being over the 200 mark, with his last game the highest, on rolling 236 and for bowling a five-pin spare in the seventh frame on the last string. Frank Johnston's record would have gone by the boards. Scores:

Brunsvicks— 2 3 4 5 T  
A. J. Hartman— 148 139 171 181 511  
A. Sutherland— 158 204 225 201 236-1101

Totals— 283 278 281 372 297 1312  
Hartman's average, 182 1-5; A. Sutherland's average, 220 1-5.

Queen Citys Win Threes. Although the Queen Citys were outclassed in all three games by the Queen Citys last night in the T.B.C. League, yet they are not denying the fact that the champions started in with a nice supply of horse shoe luck and which never left them until the last ball was rolled. Others of the Queen Citys were equally favored, while Pap Phean took off a couple of splits that were almost of the miraculous order. So this, coupled with all the hard luck of the evening, was the chief cause of the Queen Citys' downfall, while the remaining fault was due to the bad performance of the playing manager. The score:

Queen City— 1 2 3 T  
Neil— 185 190 200 276  
Root— 161 154 178 481  
Sutherland— 215 187 188 570  
P. Phean— 151 182 178 411

Totals— 914 909 923-2744  
Olympics— 127 175 177-480  
Everett— 138 188 178-404  
White— 153 163 164-480  
Graham— 158 163 164-485  
Booth— 183 181 194-458

Totals— 768 824 824-2418  
A.O.U. W. League. Granite in the A.O.U. W. League last night. Scores:

Trinity A— 1 2 3 T  
Ingham— 104 142 157 403
