YORK COUNTY AND SUBURBS

VILLAGE FIGHTING BETWEEN TREKKERS

Two Columns, on Way From Camp Borden, Fight at Thornhill.

WINDOWS BROKEN

Artillery Duel in Streets Proves Novelty to Residents Along Route.

Thornhill, Oct. 17.—Village fighting was the novelty which marked today's encounter between two of the columns marching on Toronto and the troops detailed to attack them. The rear-guard of Major Young's column which left Aurora at 8.05 a.m., was attacked in Richmond Hill about 11 a.m. by the Canadian Officers' Training Corps and the Royal Canadian Dragoons, a sharp action occurring right in the village. The rear-guard was reinforced and drove the attackers back on both sides of a church.

The attackers had counted on the column being halted for lunch at this point, expecting to rush them when they had their arms piled. The column, however, went right thru. They reached here at 1.15 p.m. Enemy on Both Flanks. Major Begg's column which left here at 9 a.m., sighted infantry on its right flank and infantry and dragoons on its left flank near Willowdale, but no attempt was made by those to attack them. The scouts on the left flank captured a lieutenant and a quartermaster-sergeant of artillery and the 67th Battery captured a trooper.

The enemy artillery, being unprotected by infantry, was caught by the column and driven out of a wood east of Yonge street. The column halted for lunch at 1.45 p.m. and arrived at North Toronto about 2.15 p.m. where they entrained for Hamilton at 3.30 p.m.

The inhabitants of Thornhill had the excitement of an artillery duel, the 70th and 71st Batteries firing on each other at a range of not more than 25 yards, in the village street. About 20 window panes were shattered by the concussion. The 71st pursued the others out of the village. This camp, which is the best along the route, is commanded by Lieut. A. G. Ghent.

FIFTH COLUMN WINS.

Aurora, Oct. 17.—The fifth column consisting of A. S. C. Training Depot and detachments of the P. P. C. L. I. and the A. M. C. under command of Lieut. G. B. Coyne, of the A. S. C., which left Bradford at six o'clock this morning was delayed over an hour by the Divisional Cyclists under Lieut. Potts, after passing the Rolling Ledges, but they succeeded in reaching the village. The cyclists were all put out of action and one was taken prisoner. Two A. S. C. men were captured. Aurora was reached at 3.15 p.m. The column marching in with the A. S. C. trumpet band playing.

The Aurora Dramatic Club gave a play for the men tonight. The cyclists left by radial car tonight for York Mills to join the attacking force.

Pains Over Left Kidney

Warned This Captain That the Kidneys Were Responsible for His Pain and Aches—Freed of Pain and Suffering by a Well-Known Medicine.

Hereford, Que., Oct. 17.—Captain Peabody is well-known all through this section and his cure by the use of Dr. Chase's Kidney-Liver Pills has aroused great interest in this great medicine.

"For years I suffered from indigestion, rheumatism and neuralgia. Lightning-like pains would run all through my body, and I also had severe pains over my left kidney and through the hips. I doctored for years and tried all kinds of remedies, but the only result was money spent without relief. At last I read in Dr. Chase's Almanac of his Kidney-Liver Pills and decided to try them. One box made such a change that I sent for five more. Before I had finished them the pains in my kidneys and hips had disappeared, and I was clear of those sharp, shooting pains through the body. I still take these pills occasionally as a regular habit, and would not be without them if I have them to thank for my cure."

"I can also speak highly of Dr. Chase's Catarrh Powder and Linseed and Turpentine. The former cured me of catarrh in the head, which caused frequent headaches. I am completely cured of this now, and breathe freely as when a boy. The Linseed and Turpentine proved of great benefit for I had cough which had lasted me for three winters. Last winter I took one bottle of the Linseed and Turpentine and have not been bothered with a cough since."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto. Don't be talked into accepting anything else to be just as good. Imitations and substitutes only disappoint.

EARLS COURT CITIZENS CARRY CASE TO OTTAWA

City Will Pay Expenses of Deputation to See Fuel Controller Magrath About Coal.

The board of control yesterday morning decided to pay the expenses of John Walsh and T. S. Smithstone to Ottawa in order that they might interview the Dominion fuel controller, C. A. Magrath, in an effort to secure coal for the Earls Court district and other coal-starved areas. The board also decided to pay the expenses of their own deputation, said that he had called up seventeen dealers between Bloor street and the top of the hill yesterday morning, and not one of them would undertake to deliver a ton of coal before Christmas.

Mayor Church said that the city should pay the expenses of a deputation to Ottawa, but Controller O'Neill demurred at this, saying that he would rather pay the expenses out of his own pocket. He has the city put in the position of paying them.

Controller Cameron could not see that anything would be gained by the trip, as the real trouble was at the mines in the United States. The board, however, agreed to finance the trip, and after the return of the deputation arrangements will be made to hold a mass meeting in Massey Hall to discuss the situation.
