that, following repeated drops in the
raw sugar market at New York, with
the persistent course of the Dominion Sugar Refinery of Toronto which
deals in beet sugar, in underselling
the cane sugar refineries, that the
four big cane sugar refineries here
had broken away from all agreements
as to stabilization of prices and
were selling where and how they
could.

Orgy of Price-Cutting.
Accordingly, the big wholesale firms here, who in the past have stood fairly well together, abandoned their cohesive policy and started an orgy of price-cutting today. For a time the price ran around 15 cents per pound and then was reduced to 14 cents net, laid down to retailers here. A further decrease is looked for tomorrow.

## ADDITIONAL POWER **ASSURED PROVINCE**

## Nearly Finished

The negotiations between the government and the Mackenz'e interests, looking to a settlement of the power situation, are still proceeding. Premier Drury told The World last evening. The time, however, was not ripe for any official announcement. It will, it is expected, be made any day now.

It was learned yesterday that Sir William Mackenzie had forwarded to the premier a memorandum of the terms upon which the company he represents are willing to furnish by
