

REMARKABLE CURES OF RHEUMATISM

BY

Dr. Thomas' Electric Oil.

A lifetime of torture is often endured by the rheumatic. Their pangs may, however, be promptly relieved, and the disease eradicated, with Dr. THOMAS' ELECTRIC OIL.

Mrs. D. MORRISON, Farnham Centre, P.Q., writing about this celebrated medicine, says: George Bell used it on his son, and it cured him of Rheumatism with only a few applications. The balance of the bottle was used by an old gentleman for Asthma with the best results. It acts like a charm.

HENRY CLEMENT, Ajmonte, writes: "For a long time I was troubled with chronic Rheumatism, at times wholly disabled; I tried anything and everything recommended, but failed to get any benefit until a gentleman who was cured of Rheumatism by Dr. THOMAS' ELECTRIC OIL told me about it. I began using it both internally and externally, and before two bottles were used I was radically cured. We find it a household medicine, and for Croup, Burns, Cuts and Bruises. It has no equal."

JOSEPH RUSAN, Percy, writes: "I was induced to try THOMAS' ELECTRIC OIL for a lameness which troubled me for three or four years, and I found it the best article I ever tried. It has been a great blessing to me."

JOHN HAYS, Credit P. O., says: "His shoulder was so lame for nine months that he could not raise his hand to his head; but by the use of ELECTRIC OIL the pain and lameness disappeared, and although three months have elapsed, he has not had an attack of it since."

THOMAS ROBINSON, Farnham Centre, P.Q., writes: "I have been afflicted with Rheumatism for the last ten years, and have tried many remedies without any relief. Last January I got a bottle of Dr. THOMAS' ELECTRIC OIL, and found it gave me instant relief, and since then I have had no attack of it. I would recommend it to all."

A. B. DES ROCHERS, Assistant Postmaster, Arthabaskaville, P.Q., writes: "Thirteen years ago I was seized with a severe attack of Rheumatism in the head, from which I nearly constantly suffered until after having used your THOMAS' ELECTRIC OIL for nine days, bathing the head, &c., when I was completely cured, and have only used half a bottle. This I can certify under oath."

W. W. McLELLAN, Lyn P. O., N. S. writes: "I was afflicted with Rheumatism, and had given up all hopes of a cure. By chance I saw Dr. THOMAS' ELECTRIC OIL recommended. I immediately sent (fifty miles) and purchased four bottles, and with only two applications I was able to get around, and although I have not used one bottle I am nearly well. The other three bottles I gave

around to my neighbors, and I have had so many calls for more, that I feel bound to relieve the afflicted by writing to you for a supply."

A NEVER FAILING REMEDY.

Messrs. PARKER & LAIRD, of Hilledale, write: "Our Mr. Laird having occasion to visit Scotland and knowing the excellent qualities of Dr. THOMAS' ELECTRIC OIL, concluded to take some with him. The result you will find by the enclosed letter which speaks for itself. We may say that in several instances it has effected cures when ailments had been pronounced incurable by eminent practitioners."

ST. MARGARET'S HOPE, ORKNEY, SCOTLAND.
Messrs. PARKER & LAIRD: I am requesting several friends to order another parcel of THOMAS' ELECTRIC OIL. The last lot I got of you having been tested in several cases of Rheumatism, has given relief when doctors' medicines have failed to have any effect. The excellent qualities of this medicine should be made known to the millions of sufferers throughout the world may benefit by its providential discovery.
Yours, etc., GILBERT LAIRD

N. McRAE, Wyebridge, writes: "I have used large quantities of Dr. THOMAS' ELECTRIC OIL. It is used for Colds, Sore Throat, Croup, &c.; in fact, for any affection of the throat it will cure like magic. It is a sure cure for Burns, Wounds and Bruises."

A young lady who has a Sunday school class of rather bright boys, averaging between 7 and 10 years, requested each pupil to come on the following Sunday with some passage of Scripture bearing upon love. The lads obeyed her wish, and in recited their verses bearing upon that topic, such as "Love your enemies," "Love your children, love one another," etc. The teacher then to the boy whose turn came last, "Well, Robert, what is your verse?" Rising, he responded: "St. of Solomon, second chapter, fifth verse—'Stand with flags, comfort me with apples; for I am weary of love.'"

A certain religious society in a certain corner not far away had a catalogue of the subjects prepared for the daily prayer-meeting. A young man who held of the proofs, and the Christians were not a little surprised and horrified to see that they were to meditate on such things as "Christ cometh with His saints and His angels and His cousins and His aunts," and "What shall be the guide of a young man's life? Never trust your partner's acc."

A boy can imagine almost anything; he can imagine that he is having a howling good time. But all attempts to induce a boy to pretend that he is killing Indians when he is sawing wood is proved futile.

At a recent Sunday-school session the Superintendent was talking about idols, when, to ascertain whether the children were understanding what he was saying, he asked: "Children, what was an idol?" "Being lazy," was the loud and quick response of one of the members of the juvenile class.

When a woman makes up her mind, she shall not set, and the man that she will, the irresistible, and every law of nature is defeated.

A Massachusetts clergyman, who had been married a year, which was raised to the altar because it took half a year, and if he had the \$600,000, he would be no time for writing sermons.

After man came woman, and after her ever since. Men are geese, women are geese, and a feather flock together.

It is said that the most useful man can hold is that of a Mason.

The most useful pedestrian is the one who walks up and down the road with a baby.
