## KLARK-URBAN CO. DID BIG BUSINESS

**Two Very Large Holiday Audi-** ences Well Entertained at Opera House Yesterday.

The Klark-Urban company opened a week's engagement at the Opera House yesterday and gave two performances before large and appreciative audiences. In the afternoon The Diamond Bracelet Robbery, from the pen of Eugene Powers, the leading man with the company and an author of much versatility, proved an interesting and exciting production and gave Mr. Powers many opportunities for displaying his ability.

The remainder of the cast were quite equal to the roles assigned to them. A Game of Catriffs filled the bill in the evening and won hearty applause from a crowded house. The company is well balanced and the staging and scenic effects in both plays were quite adequate to the occasion. Specialties were given at both performances and proved to be thoroughly enjoyable and of a high order of merit.

There is more Catriffs in this section of the country than all other diseases put together, and until the last few years, it was considered to be incurable. For a great many years doctors pronounced it incurable, and prescribed local remedies, and by constantly failing to cure with local treatment, it was considered incurable. Science has proven Catriffs to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous of the system. They offer one hundred dollars for any case it fails to cure. Send for literature. F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, etc. Take Hall's Family Pills for constipation.
