JANUARY BOOM IN MONTREAL

(Montreal Star, Tuesday).

The "January boom" fails to appear sometimes, but this year it was on hand ad in exceedingly good form. There was more business done on the Montreal market than in any month of 05, over 190,000 shares changing hands. Brokers were greatly pleased at the revival yet claim that this would be but moderate business for the Montreal market if traders would buy their own tocks instead of seeking the more dangerous market in Wall street. Here is the showing made by the most active stocks and bonds in January:

The ice was in good condition and clean hockey was in evidence. The play was fast all through, Fredericton scored one in the first half. D. Freeze, of the home team, shot a beau-tiful goal in the second half. Sussex played their combination to fairly good advantage, but they seemed to lack in shooting. R. Montreal, Feb. 7.-(Special)-In the ladies' bonspiel today, the St. Andrew's rink skipped by Miss Barnaby, lost 16-9 to the Montreal ladies, skipped by Mrs. Whitehead, who is president of the Ladies' Canadian Curling Association. Mrs. Whitehead drew a bye for second round which she surrendered to the St. Andrew's rink skipped by Miss Tuck. In today's play the St. John ladies were handicapped by having to play 32 pound granites against the 42 pounders of their opponents who were not willing to use lighter ones. In the semi-finals tomorrow Miss Tuck's rink will play against the rink which won today from Miss Barnaby's players. The winner will play in the final against Mon-treal No. 2. GERHARD HEINTZMAN LTD. has just received an order from the C. P. R. Company for a magnificient ART GRAND for their \$1,000,000 Hotel in Winnipeg. This makes the sixth Piano this company has ordered for their hotels.

When the citizens of Quebec wanted to present Lady Laurier with a Piano, they selected a GERHARD HEINTZMAN PIANO.

Recently, the great French Artist, Pugno, visited Montreal and gave a recital at which he used a GFRHARD HEINTZMAN GRAND and said he never played on a better Plano in his life.

When the Great Singer, Madame Gadski visited Montreal and gave her concert, she also used a GERHARD HEIMTZMAN PIANO.

At three of the late International Exhibitions, when a Piano was selected to represent Canadian Manufacture it was a GER-HARD HEINTZMAN.
