Thistles Vanquish Y. M. C. I. in First Game of Season—T. J. Durick Teases First Ball Across the Plate and the Season Is On

St. Peter's Y. M. A. baseball league was auspiciously opened last evening on the grounds and it was evident that all were anxious to have a look at the teams. A little after seven o'clock T. J. Durick, prior to tossing the first ball across the plate, told of the pleasure it afforded him to officiate at the opening game. He briefly narrated the achievements of ball teams from St. Peter's Y. M. A. in the past and expressed a hope that the league would flourish this year. He also said that as an incentive to the players he would offer each member of the winning team a five dollar gold piece. It was given a grand ovation as he tossed the ball somewhere in the direction of some plate and as he walked off the field the players struck up the song "For It's a Jolly Good Fellow."

The game was a bit loose, but this was to be expected. Baseball is essentially a game weather game and a cold wind takes the snap out of the players as well as the enthusiasm of the fans. However, considering that the teams have had little or no chance to practice and that it was the first time either team had a chance to get together, the fans were apparently satisfied. Several snappy plays and a cluster of good hits caused some excitement and allied forth cheers from the assemblage. The box score of the game follows:

Table with columns: AB, R, H, P, O, A, E. Rows for St. Peter's Y. M. A. and Y. M. C. I.

Summary—Thistles, Y. M. C. I. Three base hit, Hansen. Two base hits, Dever, Smith, Hansen. Stolen bases, Dever, Howard. Time of game, forty minutes. Umpire, William Howard. This evening the Shamrocks and Staples will play.

Central B. P. Y. U. A most enjoyable concert was held by young people of Central Baptist church last evening under the auspices of the Young People's Union. There were a number of appropriate and delightfully arranged tableaux which were really enjoyed by the large audience. A liver collection was taken up for the Y.P.U.

It was said that Barry's knee was badly hurt. Kinsberg also was compelled to leave the game. Ball Player Hurt. Aurora, Ill., May 21—John Murphy, an outfielder under orders to report to the Providence club of the International League on Monday, was suffering from a broken collar bone sustained in a game played at the foot of the flag pole. Physicians expressed doubt of his chances to play again this season. Beavers 4; Boys' Club 2. Was Anaemic For Over a Year. Anemia, or blood turning to water, is caused by the heart becoming deranged, and if the heart becomes weakened it cannot pump the blood as it should. As a result the blood becomes impoverished and it loses its nourishing qualities. The face becomes pale and thin, and the lips bloodless. There is a weakness, tiredness and loss of weight. When those suffering from this condition challenge the world, they can be seen to be pale and thin, and their eyes are sunken. The heart and nerve pills they can get from the doctor. Every dose introduces into the blood those vital elements necessary to make it rich and red. The patient feels better, and looks so much better. I decided to get six more. When I had taken them I had gained not only in strength, but in flesh and color, and best of all was good health. Mrs. R. J. Grey, Fredericton, N. B. writes: "When I was a girl working at general house work I overworked my strength and became completely run down. For over a year I was very bad with anemia. A friend told me to try Milburn's Heart and Nerve Pills so I got a box and when it was done I felt much better. I decided to get six more.
