

INSTRUCTIONS TO VOTERS FOR ELECTION DAY

Points to Vote in Connection With Federal Balloting Tomorrow

Tomorrow, being election day, the following information for voters is supplied by The Times-Star:

Each voter may vote only at one polling station and for only one candidate, unless two members are to be returned for the electoral district, in which case he may vote for any two candidates as he thinks fit. In Saint John-Albert any two of the four candidates may be voted for.

The voter will go into one of the compartments, and with a black lead pencil there provided, place a cross within the white space containing the name of the candidate for whom he votes; thus, X.

The voter shall then fold the ballot paper so that the initials and stamp on the back and the number on the counterfoil can be seen and the counterfoil detached without opening the paper; he shall then return the ballot paper so folded to the deputy returning officer, who shall, in full view of those present, including the voter, remove the counterfoil, destroy the same, and place the ballot paper in the ballot box. The voter shall then forthwith quit the polling station.

If a voter inadvertently spoils a ballot paper, he may return it to the deputy returning officer, who, on being satisfied of the fact, will give him another.

If a voter voted for more candidates than he is entitled to vote for, or places any mark on the ballot paper by which he can afterwards be identified, his vote will be void and will not be counted.

If a voter fraudulently takes a ballot paper out of the polling station, or fraudulently delivers to the deputy returning officer to be put into the ballot box any other paper than the ballot paper given him by the deputy returning officer, he will be disqualified from voting at any election for seven years thereafter and be liable, if he is a returning officer, election clerk, deputy returning officer, poll clerk or other officer engaged in the election, to imprisonment without the alternative of a fine for a term not exceeding five years and not less than one year, with or without hard labor, and if he is any other person, to imprisonment for a term not exceeding three years and not less than one year with or without hard labor.

years thereafter and be liable, if he is a returning officer, election clerk, deputy returning officer, poll clerk or other officer engaged in the election, to imprisonment without the alternative of a fine for a term not exceeding five years and not less than one year, with or without hard labor, and if he is any other person, to imprisonment for a term not exceeding three years and not less than one year with or without hard labor.

BENNETT EXPLAINS PORTAGE SPEECH

Charges Attempt to Sway Public Opinion Through Misrepresentation

CALGARY, Sept. 12.—Charging that an attempt had been made to influence public opinion by misrepresentation, Hon. R. B. Bennett, minister of finance, on Saturday made a statement regarding his reported utterances on the subject of the Hudson Bay Railway at a meeting in Portage La Prairie, Man., on Thursday.

To the Canadian Press Mr. Bennett today made the following statement: "I conceived of a more cold blooded and deliberate attempt being made to influence public opinion than the report of my meeting at Portage La Prairie on Thursday evening last. Mr. Edward Anderson, K. C., was on the platform and heard my statement. The mayor of Portage La Prairie presided.

"I read Mr. Meighen's reply to the On-to-the-Bay Association, which is as follows: "We shall first ascertain as quickly as possible cost of completing the road to make test of route and will proceed to complete as rapidly as finances of the country will permit. The experience of the past year has shown that commitments beyond the above have not been realized in performance and will not be in the future."

"That, I stated, was the policy of the government and by it I do not. I then pointed out that in the speech from the throne in January last the Liberal government had promised to submit provisions for completion of the railway

DE RIVERA IS FEARFUL ABOUT MORE ATTACKS

Afraid He Will Be Overthrown as Dictator; Dwells in War Ministry

Reuter's Despatch.

HENDAYE, France, Sept. 12.—Fear that he would be overthrown as dictator of Spain before he could reach New York caused Primo De Rivera to announce that he would not visit America. This was the opinion expressed here Sunday.

Not only is De Rivera believed to be concerned over the status of his dictatorship and the general attitude in Spain over the present plebiscite, but there is evidence as well of fear that further attacks might be made on his life. It had been noted in Madrid that the guard around the Ministry of War, where the Premier prefers to live, has been reinforced. De Rivera is said to have chosen the Ministry of War as his dwelling because he feels safer there.

The second day of the plebiscite in Spain was marked by political uneasiness, according to reports from Madrid. Indeed, the general state of mind of the Spanish people is said to be at a feverish pitch. It is difficult to see what success the proposed National Assembly can have in view of the Spanish politics.

More tables were put on the sidewalks Sunday to accommodate those who were signing in favor of De Rivera's rule and many women, all wearing their Sunday clothes, appeared to add their names to the list. These were the only noticeable features of the plebiscite.

Interest in the voting appeared to be on the wane, despite the fact that the government agents, through posters and personal visits to homes had urged the people to vote. Many people flatly refused to accept the plebiscite blanks while others threw them away immediately after they had read them. Some claim that if the real results of the voting are published they will be surprising.

JUVENILES BEFORE COURT

Seven juveniles, aged between 7 and 14 years, were taken before Magistrate Adams in East Saint John by County Constable Shortliff on Saturday and charged with destroying the vegetable garden, owned by Miss Moriarty, Loch Lomond Road. Four of the boys were allowed to go on five years suspended sentence in the Boys' Industrial Home, the other three departing with a warning. The parents of the boys promised to make good the damage to the garden.

forthwith and asked why they had not done so, and further stated \$20,000,000 had been expended on the undertaking under the auspices of the Conservative government, while the Liberals had spent less than \$1,000,000.

FALLS IN STREET.

Saturday night Mrs. Joseph McLeod, of 183 Metcalfe street, fell on Britain street and sustained injuries. After being able to board a street car, in charge of Motorman James Clark, Mrs. McLeod took a weak spell and the motorman took her to the corner of King and Charlotte street, where she was handed over to Police Constable Convey, who conveyed her in the ambulance to the General Public Hospital, where she received treatment and was then conveyed in the ambulance to her home.

To-Morrow Beckons

For healthy boys and girls who will be ready for to-morrow's responsibilities, there is nothing better than the morning dish of Quaker Oats and milk.

To-day—a time of ceaseless activity and enjoyment for your child. A time when to-morrow's men of affairs are taking the first steps in their physical and mental development. To-morrow beckons. Those who are prepared will share in its golden opportunities.

Physicians and school authorities agree that the child's success in school and afterwards depends on his physical development during the early growth years.

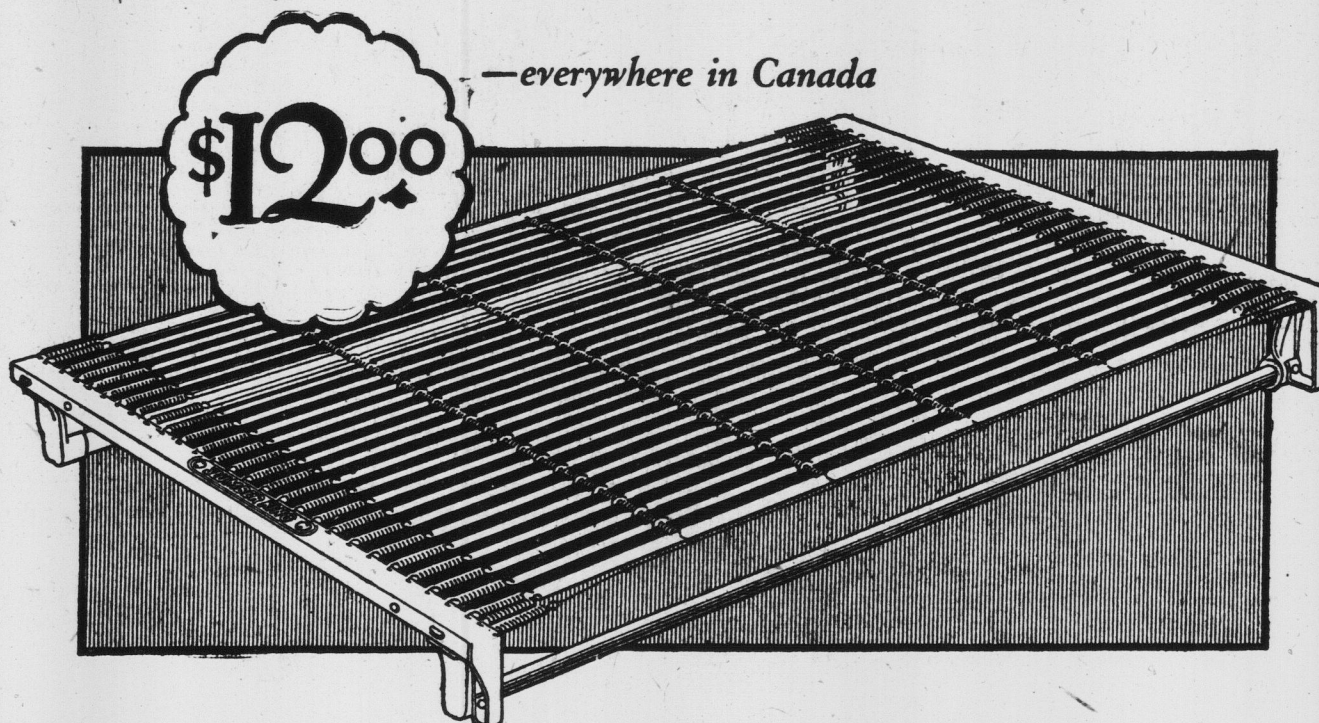

During this period he must get simple foods that provide the elements for growth, especially protein, the all-important tissue-building material.

Quaker Oats with milk provides 23% of a child's daily requirements of protein. It also supplies the essential vitamins and minerals, and a tender coating of bran.

Quaker Oats and Quick Quaker (the Quaker Oats with the fine flake for quick-cooking) come in sealed cartons only.

Tourists Here Receive Word of Death in Family in Arlington, Mass.

A letter was received at the Admiral Beatty Hotel yesterday morning from the manager to locate Mr. and Mrs. Gordon Floyd, of Arlington, Mass., who were on a motor tour in a Hudson car and who were en route to Saint John from Halifax, and notify them of the death of sister Clara and the funeral would be held on Tuesday afternoon.

Manager A. H. Peters, of the Admiral Beatty, immediately notified the detective department at police headquarters and the officers notified all garages and hotels in the city. Last night Mr. Floyd arrived at the United Garage in Duke street, when he was notified that the detective department had an important message for him. He called at headquarters, where the sad message was delivered to him.
