Women's Hospital Aid to Quit Social Service Activities At General Public Hospital

Work Has Been Maintained Three Years—Financial Aspect is Chief Difficulty—Possibility of Undertaking Free Maternity Work at Institution Discussed

THE WOMEN'S Hospital Aid regretfully made a definite decision to discontinue the Social Service work at the General Public Hospital, which the Aid has maintained for three years.

Consideration was given a plan of having excess of 100 membership fees in each denomination placed in the follow-up fund for that denomination and the matter was held over for action at the next meeting.

FREE MATERNITY WORK

A committee was appointed to confer with the Commissioners of the General Public Hospital regarding the possibility of undertaking free maternity work. The committee will report at the next meeting of the Aid.

The meeting decided to give two card tables to the County Hospital. The Aid met in the Church of England Institute, the use of which has been very kindly given for the society's monthly meeting.

It was decided to hold the annual tag day in April.

Mrs. J. J. Stothart was cordially welcomed on taking office as president.

The recommendation of the executive that the resignation of Miss Belle Howe, as Social Service Worker, was accepted regretfully and it was decided to discontinue this service at the General Public Hospital as the Commissioners did not see their way clear to contribute to the expense. It was also felt the hospital had received financial returns from this service.

TREASURER'S REPORT

Mrs. Lester W. Morry, treasurer, reported expenditures of \$107.25 and a balance of \$677.92 in the general fund, and \$501.71 in the emergency fund.

Mrs. R. D. Aitken reported on visiting the general hospital and referred to the generous supplies of magazines and funny papers brought by representatives of the Ludlow street Baptist church. Mrs. W. O'Connor was appointed convener for visiting in the ensuing month.

It was voted that two card tables be given to the County Hospital as these were asked for by the superintendent, Dr. H. A. Farris.

COUNTY HOSPITAL VISITING

Mrs. C. S. Christie reported on the visiting at the County Hospital pointing out the need of more women's papers and children's books there and expressed the patient's appreciation of the gifts of crossword puzzles, sent them by Mrs. Walter Hall.

Mrs. Grace McCuskey, as magazine convener, reported having obtained the women's magazines asked for. Mrs. McCarthy was appointed County Hospital visiting convener for next month.

Miss Belle Howe submitted her last report, as Social Service Worker, telling of activities in January and February.

Mrs. Stothart expressed the Aid's appreciation of Miss Howe's aid and deep regret that it must be discontinued.

A vote of thanks was extended to the Church of England Institute for the use of the hall, which has been given for the Aid's regular meetings.

MISSION FATHER IS NATIVE OF PROVINCE

Rev. John Barry, C.S.S.R., Now at Cathedral Born in Fredericton

The scholarly addresses and inspirational sermons of Rev. John Barry, C.S.S.R., one of the missionaries at the Cathedral, have called forth much warm commendation and it is a matter of pride that Father Barry is a New Brunswick boy.

The family lived in Melrose, N. B., for some years. Father Barry was born in Fredericton and is the son of the late Anthony Barry. His father died when he was an infant and he lost his mother also before he had been ordained to the priesthood.

Father Barry was educated at St. Joseph's College, graduating with the degree of B. A. He joined the Redemptorist Order and was trained at the Redemptorist Houses in North East, Pennsylvania and in Maryland.

He was for a time rector of the Redemptorist House in London, Ont., and is now stationed in Toronto. He has been a member of the order for about 17 years.

An only brother died suddenly when a student at St. Joseph's and Father Barry has no members of his immediate family now living. Dr. J. M. Barry and Judge J. A. Barry, of Saint John, are cousins.

ART EXHIBITION IS GREATLY ENJOYED

Saint John Club Shows Fine Series of Medical Color Reproductions

The evening program of the Saint John Art Club last night was indeed a liberal education in art given in the most delightful manner. Ven. Archdeacon A. H. Crawford, president of the club, exhibited a series of medical color reproductions of famous paintings, which had been kindly loaned by Prof. E. L. Harvey, of U. N. B.

As he placed each print on the easel for general inspection the lecturer told the life story of the painter, related incidents in connection with the painting of the picture and pointed out its special beauties of unusual features. As he passed on to speak of another picture he hung the one previously spoken of on the wall of the assembly hall.

The pictures dated from 1488 up to the present time and represented the Italian, French, German, Dutch, Spanish and English schools. After the lecture members of the large audience made good use of the opportunity of closely examining the prints on the walls. They will remain on exhibition for a week.

During the evening there were some much enjoyed musical numbers. Mrs. P. J. Hodgson gave a piano solo. Miss Gwendolyn Hodgson contributed a violin solo and L. W. Bewick was vocal soloist. Dr. H. Dunlop was the accompanist.
