THE EVENING TIMES-STAR, ST. JOHN, N.B., MONDAY, OCTOBER 29, 1923

10

### TO SEEK TOURISTS FOR RIVER TRAVEL

Fast New Steamer Planned  
to go on Route Next  
Summer

In a few weeks navigation on the St. John River will be brought to a close for the season of 1923 and the steamer will be tied up in their winter quarters. At the present time the upper river freights are heavy and from all indications, it is said, will continue to be so until the farmers have obtained all of their supplies for the coming winter.

On Saturday the steamer Premier was unable to carry all the freight that offered and some was left behind in the shed until her next trip to Grand Lake. The passenger travel during the season has been light, but it is said that next year a strong bid will be made for a big revival of tourist trade. A new steamer is planned by the Crystal Stream Steamship Company to replace the D. J. Purdy on the Inlandwater-Fredericton route. If present plans materialize this new steamer will be capable of making 18 miles an hour and will be able to go to and return from Fredericton the same day.

### HALLOWEEN PARTY HELD IN Y. W. C. A.

The Y. W. C. A. recreation centre in King street east was the scene of two jolly parties on Saturday when the younger members of the gymnasium classes celebrated Halloween with games and frolics and masquerades. In the afternoon there were between eighty and ninety of the members of the junior and babies' classes assembled and all of the company of small people were gayly costumed. The judges had some difficulty to decide which costume was deserving of the prize. Bertha Woods, as a shepherdess, was finally decided upon as the winner of the first prize and Ruth Gale who wore a stern "No trespassing" sign was awarded the second prize. After the children had played many games and sung nursery rhymes to their hearts' content they sat down to a feast of good things which was served in the kindergarten room. Both the gymnasium and the kindergarten room were attractively decorated in appropriate Halloween colors and trimmings.

In the evening the members of the intermediate classes and the special dancing class had their party. There were about fifty or sixty present at the evening entertainment and their costumes rivalled those worn at the afternoon party. Beatrice McKinney was announced as the winner of the first prize for the costume. She was dressed for the costume in a gown made of all kinds and a peanut hunt made the time pass all too quickly. Mary Rowse and Beatrice McKinney delighted the other members with a graceful

Sir Henry Thornton is Welcomed to St. John Today

Interpretive dance, entitled "Poppies." Miss G. Richards, the physical director, was in charge of the two entertainments and her most efficient helpers were the Misses O'Brien Sprague, Sophie Tilton, Helen Belding, Jean Angus and Ellen Brunscombe. The senior school girls are to have their party on Tuesday evening.

### Y. M. C. I. PLANS ARE DISCUSSED

Plans for an opening smoker for the members of the Y. M. C. I. were discussed at the regular weekly meeting yesterday afternoon, when the general membership assembled to talk over this and the drive for membership. Routine business was disposed of and it was decided to hold the smoker Tuesday evening, Oct. 30. Paul C. Quinn, secretary of the Institute board; Ernest Strling, physical director of the gym-

nasium, and F. O. Conlon were delegates to the A. A. U. of C. convention, recently held in Moncton, and each gave a report of what transpired. There were many tentative plans talked over and one of the members stated that the future meetings would unfold much of interest to the young men of the Institute and those who would join when the drive got thoroughly under way.

### NAMED ACTING DEPUTY.

James McMurray, who returned on Saturday from Toronto, where, with E. H. Cairns, of St. John, he attended the Supreme Council 88th Degree of A. and A. S. Rite on Wednesday and Thursday, brought back word that Mr. Cairns had been appointed acting deputy for the province of New Brunswick. Mr. Cairns is expected back in St. John on Wednesday. Dr. Thomas Walker, who previously held that office, had tendered his resignation and at his own request was placed on the past active list.

### CORNERSTONE WILL BE LAID THURSDAY

Programme of Ceremonies at  
New Orphanage Building  
is Made Public

Arrangements for the formal laying of the cornerstone of the new Protestant Home in the Manawagonish road have been completed by the president and directors of the New Brunswick Protestant Orphanage Board and the date selected is Thursday, Nov. 1. On the afternoon of that day the cornerstone of the new building will be formally laid by Sir J. Douglas Hazen, Chief Justice of New Brunswick. The new building is an extension of the former residence of the late James Manchester and with the original residence will be the future home of the amalgamated Protestant orphanages. A programme suitable to so auspicious an event has been prepared and in it the children of the orphanages have been given an important part.

The ceremonies will commence at 3 o'clock and the children will sing the opening hymn. After the hymn, prayer will be offered and the president, D. C. Clark, will then give the introductory address. Sir Douglas Hazen will then address the gathering of spectators and children and will formally lay the cornerstone. Immediately afterwards the children will sing a song appropriate to the occasion. The hoisting of the Union Jack by the senior matron will be the next ceremony and as the flag is spread to the breeze the children will sing the national anthem. One of the children will then hoist the house pennant of the Home.

At the close of the ceremony the ladies' committee of the directorate has arranged to serve light refreshments in the central building, the former Manchester residence, which will be used as an administrative building when the orphanage is completed. The Carleton Cornet Band will be in attendance during the afternoon.

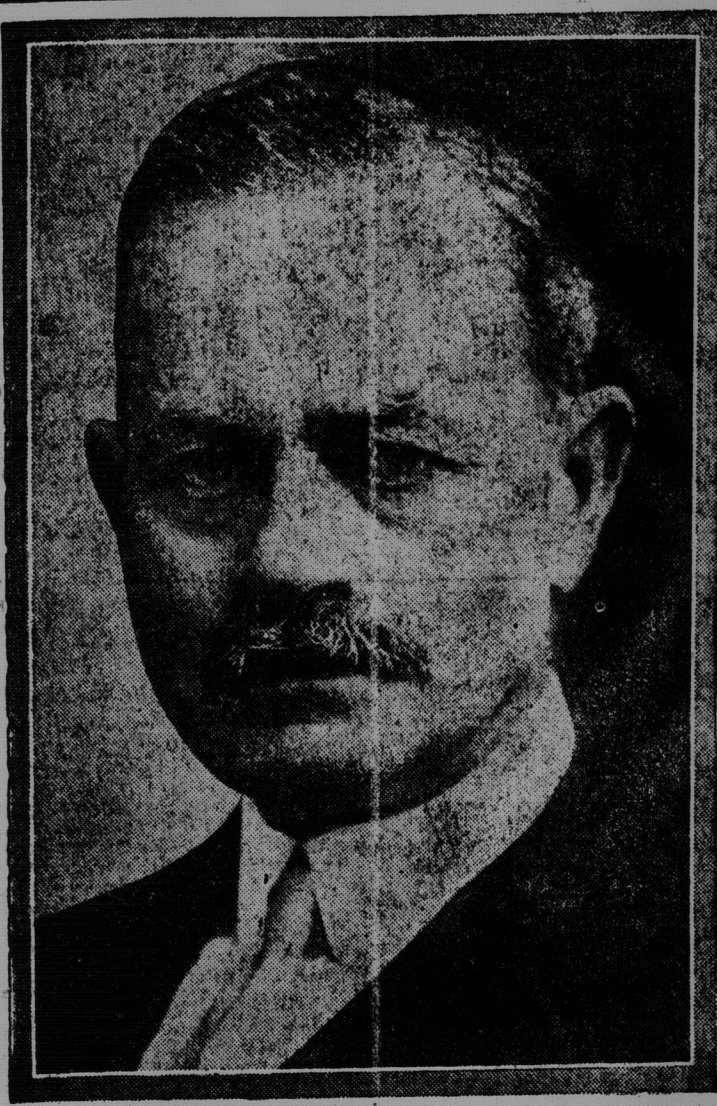

Through the courtesy of the New Brunswick Power Company arrangements have been made to have several street cars provided to take all who wish to attend the ceremony. The cars will leave the head of King street at 2:15 to carry the visitors as far as Fairville and will be at Fairville to bring them back to the city at the close of the programme.

The president and directors of the orphanage have extended a most cordial invitation to all friends and subscribers to the institution to attend the laying of the cornerstone. The children themselves are looking forward to the occasion.

### STREET CAR AXLE BROKE.

Street car No. 73, of the Haymarket square route, jumped the rails at the southern diamond in Mill street at 6:48 o'clock Saturday evening, and one of the axles was broken. Traffic was delayed for a short time before the car could be towed to the repair shops.

### St. John Welcomes Lord Byng, Governor-General of Canada

### HOLD TEA FOR FUNDS.

The Junior branch of the W. A. of Trinity church held a successful Halloween tea in the school room on Saturday afternoon which greatly pleased the large number of patrons while realizing a substantial sum for the mission funds of the branch. The children waited on the tables and were quite well dressed with fancy caps and aprons with black cat favors. The serving table was very prettily arranged with a yellow pumpkin in a glass basket as its central ornament. Mrs. E. A. Schofield and Mrs. Albert Wilson presided over the pouring of the tea and coffee. Mrs. G. B. Nichol, junior branch secretary, had had charge of the general arrangements and her assistants were Mrs. James Gorham, Mrs. J. J. Gordon, Mrs. G. B. Peat, Mrs. Blenkinsop and Miss Nelson. The candy table was in charge of Mrs. Keyes.

### DIOCESAN OFFICERS CHOSEN BY C. W. L.

Moncton Woman Chosen  
President at Convention  
Held in Railway City

Mrs. James Friel, of Moncton, was elected president. Miss Margaret H. McCloskey, of the St. John (north) sub-division, first vice-president; Mrs. F. J. Power, St. John (Cathedral sub-division), second vice-president; Mrs. James E. McMurray, St. John (Cathedral), third vice-president; Miss Sarah Lynch, St. John (North), treasurer; Miss Alice Dever, St. John (North), recording secretary, and Mrs. Fogarty, of Moncton, corresponding secretary, at the annual diocesan convention of the Catholic Women's League in Moncton on Saturday, Oct. 27.

The first session was held at 12:30 in St. Bernard's hall. Reports from the sub-divisions were submitted and progress noted. In her address, the president pointed out the aims and objects of the League and urged co-operation in the many nation-wide enterprises, laying particular stress on the work of the Sisters of Service to which the league is particularly pledged.

The organization committee reported progress, steps already being taken to open three new sub-divisions. In the afternoon session installation of officers took place, after which Rev. Father Savage addressed the members.

In speaking of the importance of the League, Father Savage laid stress on women's work in connection with the church in all ages and thought that the C. W. L. was filling a big need.

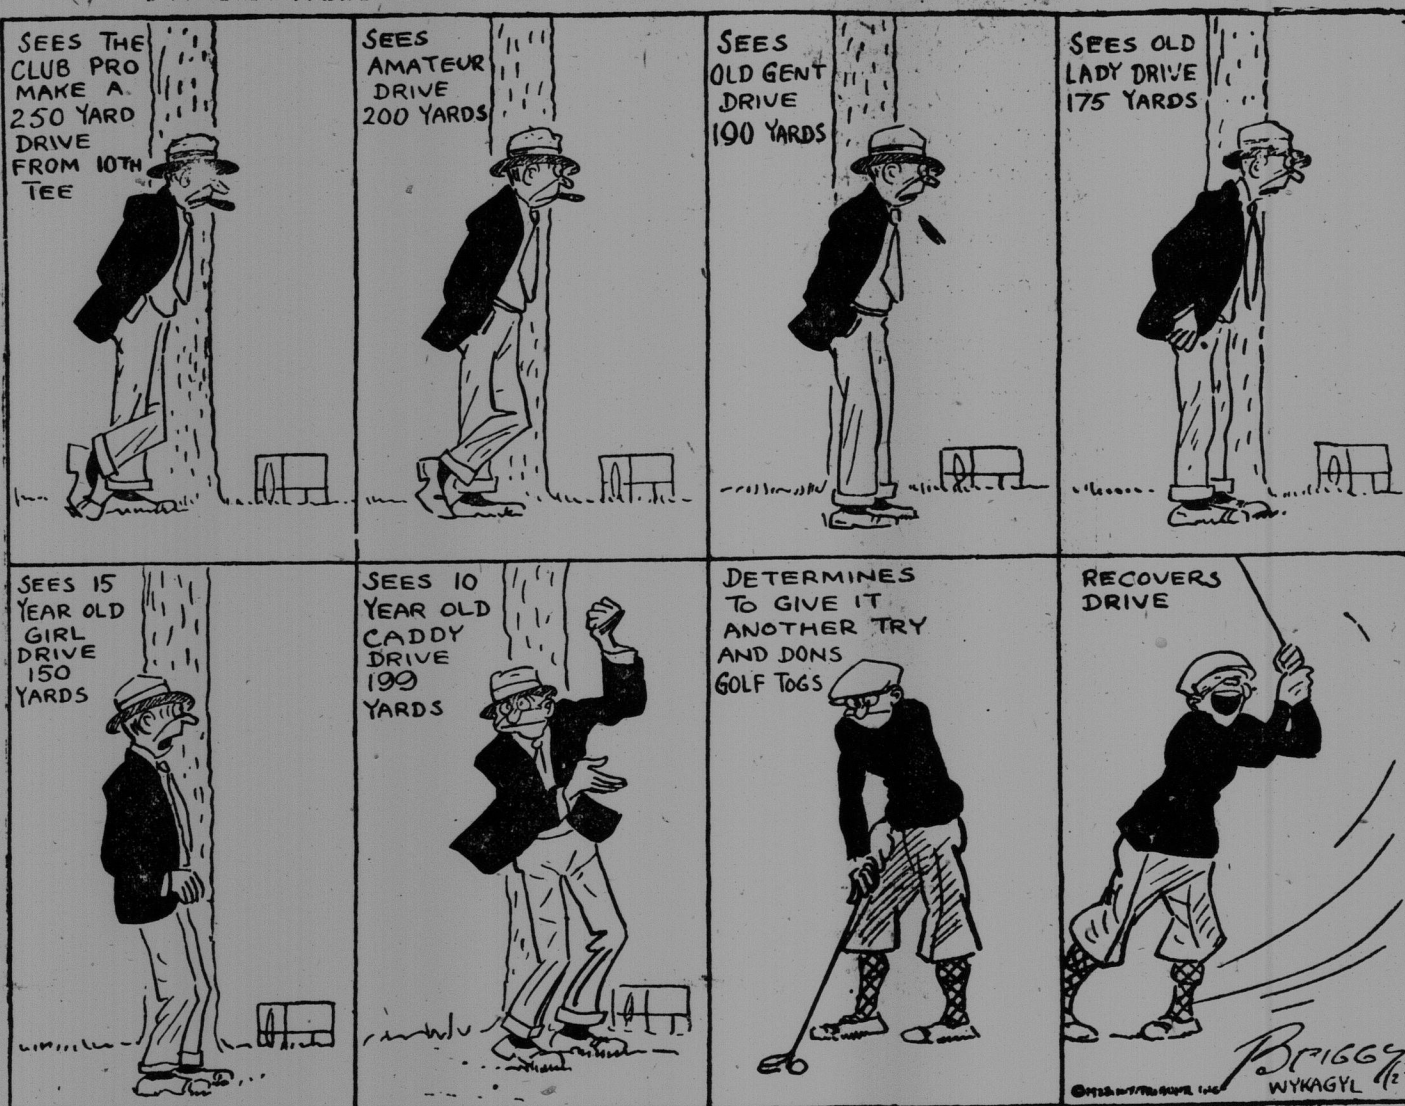

After the reading of the diocesan report by Mrs. James E. McMurray, musical numbers were enjoyed. Then followed the report of the Dominion convention held in Halifax last June, read by Miss Margaret H. McCloskey, who was the diocesan delegate. Mrs. Friel was chosen delegate to the Dominion convention to be held in Edmonton next June.

The St. John delegates present were: Mrs. D. P. Chisholm, Mrs. John Owens, Mrs. Margaret H. McCloskey, Miss Minnie Durich, Mrs. James E. McMurray and Mrs. H. Sullivan.

### Deep-Seated Abscess in the Hip.

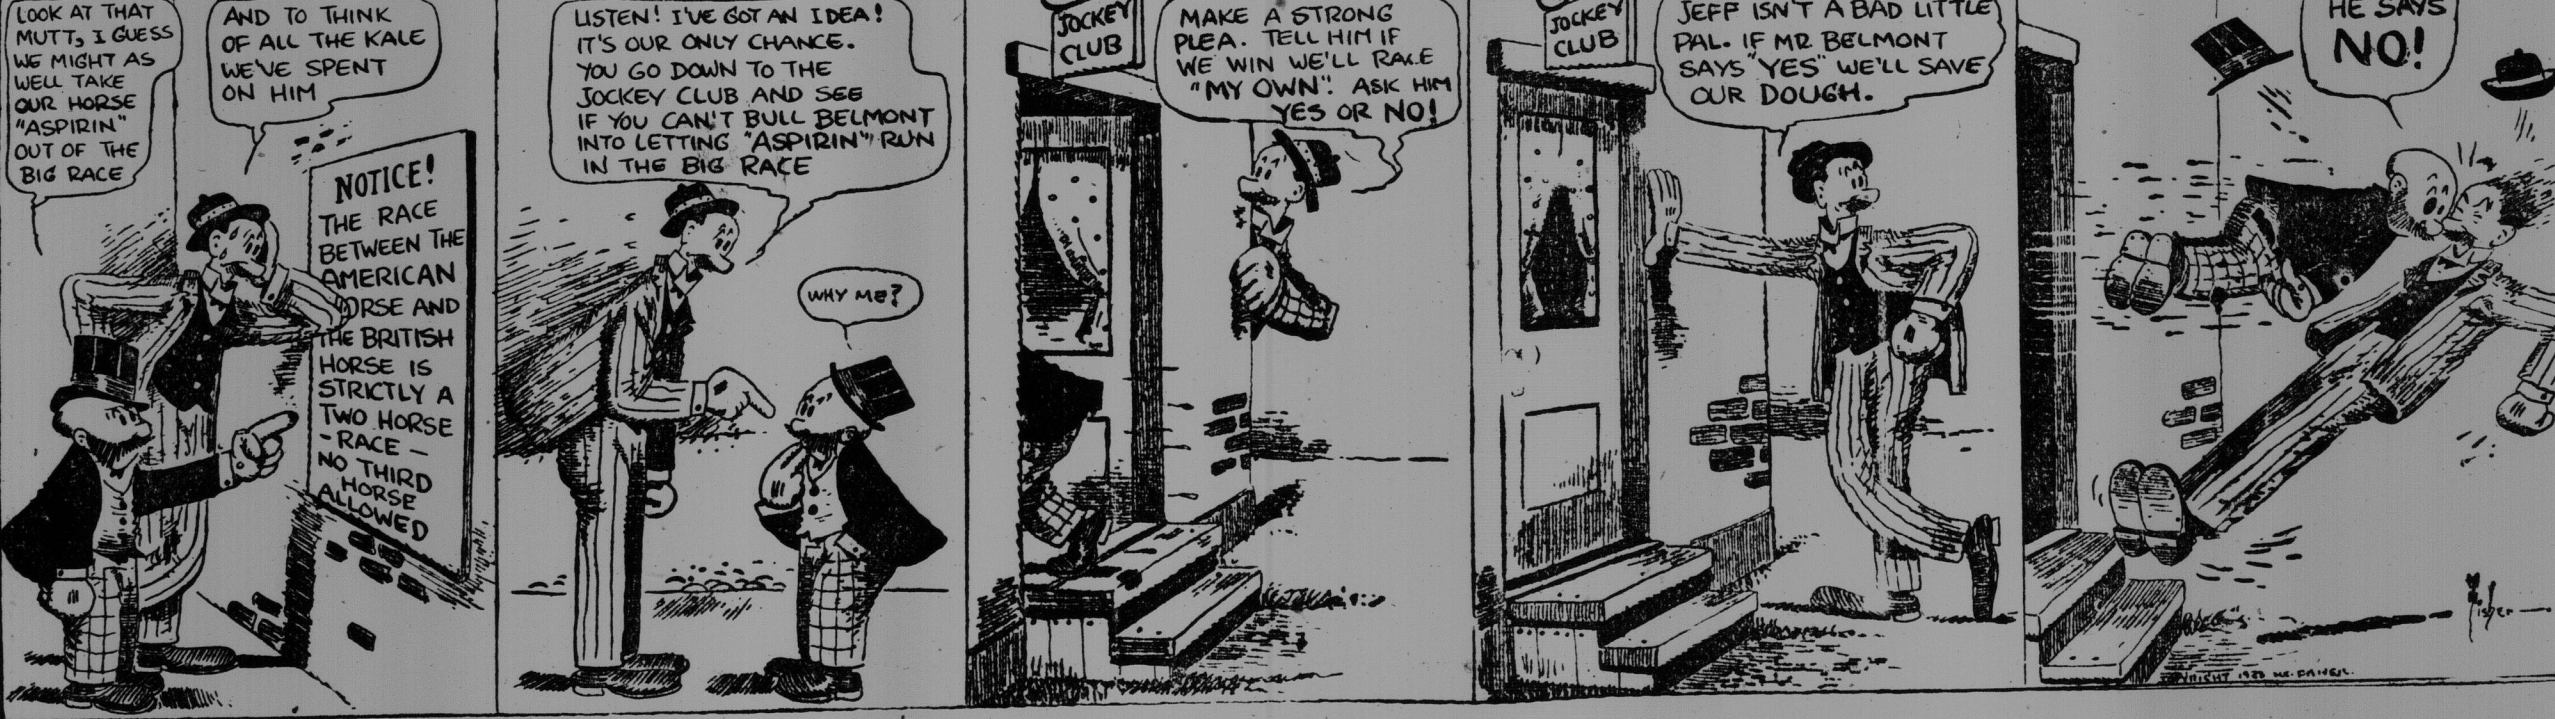

Remarkable Recovery after under-  
three operation without success.

Our patient is of Mrs. LAMBDON, of West Hill, Withyburn, Sussex, England, who writes:—  
I am writing to tell you of the benefit I have received from your Clarke's Blood Mixture. I had a deep-seated abscess in my hip and was laid up about fourteen months not able to do anything. I was in hospital nine months and had three operations. Still I was no better, as I could not get any sleep. I had been home three weeks still feeling very ill, so I thought I would try your Clarke's Blood Mixture. The first bottle I used fetched the pus out more than ever, and by the time I had taken half the mixture I began to eat better, and the discharge began to get less. I recovered with the mixture, and after a few weeks began to get about a little on crutches out of doors. Then I began to get stronger, and now I am feeling better than I have done for years. The abscess is quite healed—I can now do my work and walk quite a long distance with a stick. I am sure if people suffering the same as I was would give Clarke's Blood Mixture a fair trial it would do them good. You can make whatever use you like of this note.

CLARKE'S BLOOD MIXTURE, by means of its remarkable blood purifying properties, has been relied upon to give speedy relief and lasting benefit in cases of Eczema, Scabies, Ringworm, Abscesses, Ulcers, Boils, Pimples, Eruptions, Piles, Gonorrhoea, Syphilis, Rheumatism, Skin Diseases, and all other blood-poisoning conditions. Get it. Pleasant to take and free from anything injurious.

of all Dealers. Ask for and see you get
