SIR THOMAS LIPTON

WILL WATCH RACES FROM A SEAPLANE

New York, May 8—Sir Thomas Lipton will watch his entry in the America's Cup races this summer from a Curtiss Seagull flying boat. A New York airplane and motor corporation invited him to use one of their seaplanes several months ago. He gladly accepted, expressing delight at the prospect of viewing the races from the air.

Blind 30 Years, Sees.
London, Eng., May 8—Losing his sight soon after his marriage, a Derbyshire farmer named Shaw remained blind for thirty years. His wife superintended the farm, assisted by two sons. The farmer, now aged sixty, underwent a special operation and was cured. He saw his grandchildren for the first time. They are three and two years old.
