THE ROMANCE OF BEAUTIFUL AMY FORRESTER, daughter of wealth, swept from society's glitter by strong Andrew Forrester—then left to play while he, in distant Colorado, struggled for wealth to place her in the glowing setting he felt her beauty deserved.

"But no, Andrew," she pleads tearfully, "take me with you."

"I couldn't work so hard nor so fast with you beside me," he replied. "I want you to play for both of us while I am away at work. I want men to admire you too! I shall glory in your triumphs."

As the months passed Andrew played and Amy played with other men as he had willed—holding herself a virtuous wife according to society's code.

Then came a sinister warning to absent Andrew, the anonymous poison of another woman's venom planted a barb into his trusting heart that brought him back to Amy—and then—then, then Andrew's soul accused her's.

## Sidelights On Sport

The St. John baseball team returned home Saturday night after their tour around the circuit of the New Brunswick and Maine League. They played in Milltown, N. B. Saturday afternoon, but the game was called in the second inning on account of rain. They made an exceptionally good showing despite the fact that they were handicapped for want of pitchers, winning in St. Stephen on Tuesday, in Woodville, Me. on Wednesday, losing one game to Milltown, on Thursday, and winning a doubleheader in Calais on Friday. They spoke highly of the treatment accorded them and the boys who made the trip will recall it as one of the best they were ever on. The success of the venture is largely due to the untiring efforts of James McNulty, who managed the local nine.

In the St. John League this evening Carleton and the Y. M. C. I. will meet and a rattling good game is expected. Tomorrow evening St. Peter's will play Fairville and on Thursday evening St. Peter's and Carleton will clash. They spoke highly of the treatment accorded them and the boys who made the trip will recall it as one of the best they were ever on. The success of the venture is largely due to the untiring efforts of James McNulty, who managed the local nine.

The report that the late Les D'Arcy's brother died recently at his home in Australia from pneumonia and influenza will be heard with regret. It will be recalled that Les, one of the best boxers who ever came to America, was practically hounded to death.

St. Peter's Juniors Win  
St. Peter's Junior baseball nine defeated the Martellos of Carleton Saturday afternoon on the Queen Square diamond by a score of 10 to 7. Martin and Gossel formed the battery for the winners and Merryweather and Wilson for the losers. These teams will play again on St. Peter's grounds Wednesday evening.

Third Round, Says Pecord  
Toledo, Ohio, July 6.—Because of the controversy over the duration of the heavyweight championship contest between Willard and Dempsey, and whether Dempsey had been credited with a knockout, Ollie Pecord, referee of the Independence Day match, ruled tonight that Willard had been knocked out in the third round.

Referee Pecord also ruled that the fight was a draw.

## MAJORITY OF AMERICAN LEAGUE OUTFIELDERS ARE LEFT HAND HITTERS

Left-hand hitters predominate in most of the American League outfielders, the Yankees being the only club with three right-hand hitters working regularly. Lewis, Bodie, and Vick all swing from the right-hand side of the plate. Wickland and O'Donnell are left-hand hitters, and Halas bats either way. Detroit has Cobb, Veach and Shorten swinging from the left side, and Plagstad for only right-hand hitter. Boston has Hooper, Strunk, Ruth, Lamar and Gilbooley, who are left-hand hitters, and Chainer, a converted infielder, as the only right-hand hitter. Cleveland has four left-handers in Grady, Speaker, Smith and Jamieson, with Wood the only outfielder swinging from the other side. Jackson,
