### OBITUARY

Rev. C. T. Phillips, D. D.

Hartland, N. B., Aug. 10.—Rev. Dr. Phillips died suddenly tonight, his home in St. John's, this county. He and Rev. Dr. Hutchinson, of St. John, who was his guest, were sitting on the porch at Dr. Phillips' home about 9 o'clock when Dr. Phillips complained of suffering from a pain in his chest. He expired himself in a few minutes. Soon afterwards a neighbor called inquiring for him and found him lying on his back on the porch. Assistance was called for and he was taken to the veranda, where he died in about half an hour. Heart trouble is supposed to have caused his death.

News of the death of Dr. Phillips will be received with great regret in this city and throughout the province. Dr. Phillips was born in Somerville, Carleton county, seventy years ago. He was the son of Cornelius Phillips and Frances Stevens. When about thirty years of age he began studying for the ministry and during his forty years of service had preached in Sussex, Woodstock, St. John, Hartland and Jacksonville. He was fifteen years in Sussex and sixteen years in Woodstock. He was known as one of the most eloquent of the old Free Baptist clergymen and was one of the heartiest promoters of the union of the Free Baptist and Baptist churches. His work with the pen was also well known as he was a frequent contributor to newspapers. He was the possessor of a rich vein of humor, but was also quick to respond to the appeal of the pathetic.

Dr. Phillips married Georgia Doucette, daughter of an old Free Baptist clergyman, and she and four daughters survive him. The daughters are Kate, Mabel, Maud and Georgia. The last named is a nurse in training in Norwich (Conn.), and Misses Maud and Kate are also nurses. He has a brother, Elsie, residing in Ontario, and a sister, Mary, wife of Stipendiary Magistrate E. F. Shaw, of Bath (N. B.). C. T. Lugin, of St. John, is a cousin.

Dr. Phillips had been actively engaged in the missionary work of the denomination in this province during last year and he had only recently been granted a year's rest, which he was taking at his home in Jacksonville. Arrangements for the funeral had not been completed last night.

Andrew Skillen

A telephone message from St. Martins last night brought news of the death of Andrew Skillen, which occurred at his home there yesterday morning in the 90th year of his age. He was probably the oldest active member of the Masonic fraternity in Canada, having become a member in 1862, sixty-nine years ago. At the time of his death, he was past master and treasurer of St. Martins Lodge.

Mr. Skillen came to St. John in 1818 from Ireland, and for several years was in the tailoring business here with Mr. Garrett, under the firm name of Garrett & Skillen. They had places of business at the corner of Prince William and Princess streets, and at the corner of King and Canterbury streets, where Vassie & Co. now conduct their business.

In 1853 Mr. Skillen removed to St. Martins and there carried on a tailoring and general business until some twenty-five years ago. He was also active in other ways and built the steamer Earl Dufferin which plied between St. John and St. Martins for several years. He represented St. Martins in the municipal council several times, was a staunch Liberal, an adherent of the Presbyterian church, and in every way a good citizen.

Mrs. Skillen passed away some ten years ago, and there are surviving five sons and two daughters. The sons are W. E. R. W., and S. V., of St. Martins; Joseph V., of Brooklyn, and Leonard V., of H.

Spring; and the daughters are Mrs. David Brown, of St. Martins, and Mrs. McGregor S. Bentley, of Five Islands (N. S.). The funeral of Mr. Skillen will be held at 3 o'clock this afternoon, interment in St. Martins cemetery.

### MORNING LOCALS

Friends of Mr. and Mrs. Neil McLean, who resided for many years in St. John, will be pleased to learn that they intend celebrating their golden wedding at their home in Manville, Rhode Island, on the 13th inst.

In the supreme court chambers yesterday morning before Mr. Justice McKewen, M. N. Cockburn, K. C., of St. Andrews, on behalf of Floyd Brown and Chipman Cheney, two prisoners belonging to Grand Manan, who are now in jail in St. Andrews awaiting trial on a charge of breaking and entering a store and stealing money, made an application for an order to admit the prisoners to bail. His honor granted the order and fixed the bail at \$400 for each prisoner and \$200 each for two sureties. The prisoners will be tried at the Charlotte circuit on Oct. 3.

A bright literary and musical programme was a feature of the moonlight excursion of the N. B. Temperance Federation last night. A large party left on the steamer May Queen at 7:45 and went up the river as far as Belyen's Point and returned to Indiantown at 11:30. Mr. McTavish, president of the St. John county branch, presided, and F. N. Stockford, ex-president, was also present. The programme included: Misses Irvine, duets; J. N. Riley, Tiller, Riley and Kierstead, a quartette. Refreshments were served and a very delightful evening spent.

### MAINE BOY SHOT HIMSELF BY ACCIDENT

Almost Within Sight of His Mother Who Thought He Had Fired at a Woodchuck

Norridgewock, Aug. 10.—Almost within sight of his mother who heard the fatal shot and thought he had fired at a woodchuck, Louis, the 12-year-old son of Louis Robinson, was killed Wednesday by the accidental discharge of a small calibre rifle. A few minutes before he had started from home with the avowed intention of killing woodchucks. Five or ten minutes after he heard the shot, Mrs. Robinson saw her son in the grass in such a position that she realized there had been an accident. She ran to him but the little fellow breathed only a few times. The shot entered the chest on the right side, passed diagonally through the mouth and lodged near the base of the left ear. A severed artery caused death.

### CEMENT INDUSTRY AT GREENHEAD NOW

At yesterday's meeting of the Safety Board, an offer for the Greenhead property was practically accepted. R. Max McCarty, on behalf of Herbert Guernsey, agreeing to purchase the property within ten months at \$28,200, a deposit of \$1,200 to be made on account of the purchase, which is to be forfeited if the sale is not concluded. The understanding is that the property is to be for manufacturing purposes.

Mr. McCarty announced that a large cement works would be established with a capacity of 1,200 barrels of cement a day. Mr. Keith, being heard, said that he was willing to give one third of the \$800 for a four months' option, but in view of Mr. McCarty's offer, this was not accepted.

It was decided on motion of Ald. Potts that holders of city lots be advised that the city was prepared to entertain offers for the purchase of the lots. Inquiries as to the painting of poles by the Street Railway as per their contract resulted in a motion by Ald. Scully that they be notified that they must carry out the conditions of the contract.

## PITTSBURG IS NOW OFFICIALLY PITTSBURGH

Washington, Aug. 10.—The postoffice department yesterday added a long-hailed "h" to the city of Pittsburgh, Pa., so that it will now read officially "Pittsburgh." In consequence President Taft Wednesday sent the nomination of William H. Davis, postmaster at "Pittsburgh," to be postmaster at "Pittsburgh."

A renomination always is required in cases where the names of postoffices are changed. Mr. Davis will profit by the change for he will have a four-year term from the day his nomination is confirmed by the senate.

Free speech is no excuse for talking too much.
