ferers by the recent great flood at Johnstown will be given at the Mechanics Institute to-morrow (Friday) evening. The affair is in the hands of an efficient Committee of Harrison's Orchestra and will be under the management of Mr. Harrison. As these young men are all well known in the community as excellent musicians themselves and possessed of good musical taste, it can readily be assumed that the entertainment will be a satisfactory one in every respect. Apart from this, however, is the fact that our people will thus have an opportunity of aiding directly and in a way no one will feel, those unfortunate people who have undergone such terrible hardships, and have suffered such irremediable losses.

There is no doubt, as our people are

ble losses.

There is no doubt, as our people are enerous, and not unmindful of the kind-y aid extended to this city in its hour f trial,—every seat in the Institute will be occupied to-morrow night.
