and sak to see her. Why should be till to morrow? Presently, how-better counsels prevailed, and, the scopped to he was till a policeman, thinking ested his hat down on the butter-dish, for he

took rather coldly.

answered. "Let me introduce you to Lady Holmhurst; Mr. Meeson, Lady

Holmhurst." Eustace bowed, and put

"I hope that I have not come too

vindow is, no doubt, a delightful sation, if a somewhat tantalising but if Eustace's ears had been as would have done breakfast."

art of her story which dealt with the

of here last night and saw you both sit"It may be delightful for you, Hessie,"
and Augusta, rather tartly, "but I call it
"Indeed!" said Lady Holmhurst.

Teacher Wanted. "Indeed!" said Lody Holmburst.

"And why did you not come in? You might have helped to protect Miss Smithing another thing to have to show your honorable wounds in a London drawing room. Of course, Mr. Meson will want to see this will, whatever it may be worth; and I should like to tak you, Bessie, how san I to show it to him? Its was a suspicious character and told me to move on."

"Dear me, Mr. Meson; you must have been having a good look at us."

on my back."

Here Augusta interposed, fearing lest her admirer—for, with an unerring in-Holmhurst, dryly, "that ladies, as a rule, stinct, she now guessed how matters have an insuperable objection to show stood—should say something foolish. A their backs or their fronts either. If you young man who is capable of standing to have any doubt on the point, I recom-mend you to get a invitation to a London hall. All you will have to do will be to wear a low dress. The fact of being tattooed does not make it any more improper for you to show your shoulders, than it would be if they were not tattooed, especially," she added, "as they are such the "Globe," "I am sure you can not the "Globe," "I am sure you can not

"I have never worn a low dress," said went on; "I had made surethat you were Augusts, 'and I do not want to show Mr.

Messon my shoulders."

"Ah, well," said Lady Holmhurst, darkly, 'I dare say that that feeling will dress. The maid-servant declared that

won't, you won't; and, under those oirwon't, you won't; and, under those oirger Ecl'—which I afterward found out cumstances, you had better say nothing was the Kangarco. And then she went about the will, though," ahe added, learnedly, "of course that would be compound-lished a full list of the passengers and your name was not among them, and I

Would it? I don't quite see where thought that after all you might have "Wall, of course, in this way; you steal the will—that's felony; and if you don't show it to him, I suppose you compound it; it is a double offense—compound felony."

"Noncense !" answered Augusts to this exposition of the law, which was, it will have desired and convince.

be admitted, almost as lucid and convineing as that of an average Q. C. "How
can I steal my own shoulders? It is impossible."

Suspense came to an end. It was awful,
I can tell you."

Both of the young women looked at
Eustace's face and saw that there was no

"Oh, no; not at all. You don't know mistaking the real nature of the trial what funny things you can do. I once had a cousin whom I coached for his examination for the Bar, and I learned a
great deal about it then. Poor fellow! his expressing such intense interest in the ne was plucked eight times."

was plucked eight times."

"I am sure I don't wonder at it." said outwardly, at any rate, on the terms of Augusts, rudely. "Well, I suppose I merest acquaintance."

must put on this low dress; but it is "It was very kind of you to think so horrid—perfectly horrid! You will have much about me," said Augusta, gently.

"I had no idea that you would call again,

rst, or I would have left word where I was I can find some among the things I gut sound, at any rate," answered Eustace; away before we sailed," and her eyes and then, with a sudden burst of anxiety: "You are not going back to New

Augusta took her hand, and they began | Zealand just yet, are you?' to talk of that great bereavement and of their own wonderful survival, till the sea just now." at last she led the conversation round to little Dick, and Beaste Holmhurst; "she is going to stop with seein at the thought that her dading now me and Dick. Miss Smithers saved poor thing, had run away. And now, dear, you had better tell Mr. Meeson and fro at the bottom of the ocean. She took Augusta's hand and kissed it, and about the will." blessed her for having saved the child, till suddenly, somewhat to the relief of the latter, the butler opened the door and said that two gentlemen wanted very particularly to speak to Miss Smithers. And then she was once more handed over shyness as best she might, told the whole to her old enemies, the interviewers, and story of his uncle's death, and of the way after them came the representatives of the in which he had communicated his testacompany, and then more special reporters, mentary wishes. and then an artist from one of the illusing him an appointment, in language that, though polite, indicated that he meant to the me, said Eustace, astounded, "that you allowed him to have his confounded will tattooed upon your shoulders?"

have his own way; and so on till nearly midnight, when she rushed off to bed and lecked her door.

"Yes," auswered Augusta, "I did; and what is more, Mr. Meeson, I think that you ought to be very much obliged lecked her door.

Next morning Augusta appeared at to me; for I dare say that I shall often be breakfast dressed in an exceedingly becoming low dress, which Lady Holmburst sent upto her with hot water. She had never Eustace; "I had no right to expect such worn one before, and it certainly is trying a thing, and, in short, I do not know to put on a low dress for the first time in full daylight—indeed, she felt as guilty as does a person of temperate habits when a person of t he is persuaded to drink a brandy and soda before getting up. However, there was no help for it; so, throwing a shawl "Weil, Mr. Meeson," said Augusta, at

over her shoulders, she descended. "My dear, do let me see," said Lady
Holmhurst, as soon as the servant had
think that it will be of much use to you,

With a sigh Augusta uncovered her lowed to issue,' whatever that may mean, houlders, and her friend ran around the of Mr. Messon's other will." table to look at them. The cuttle-ink "I do not know that that will matter," had proved an excellent medium, and the said Eustace, "as I heard a friend of mine, ing was as fresh as the day on which Mr. Short, who is a barrister, talk about it had been done, and would; no doubt, some case the other day in which probate remain so till the last hour of her life.

trock coat, with a flower in it.

"Well," said Ledy Holmhurst, "I hope that the young man will be duly grateful. I should have to be very much in love," and she looked meaningly at Augusta, "before I would spoil myself in that feshion for any man," "was revoked on the production of a surge quent will."

"Indeed!" answered Augusta, "I am very glad to hear that. Then, perhaps, after all I have been tattooed to some purpose. Well, I suppose you had better see it," and with a gesture that was half shy and half default the draw the lace shawl from her defiant she drew the lace shawl from her

Angusta blushed at the insinuation and shoulders, and turned her back toward him said nothing. At ten o'clock, just as they so that he might see what was inscried Eustace stared at the broad line of letters "Here he is," said Lady Holmhurst, which with the signatures written under

clapping her hands. "Well, if this isn't the very funniest thing that I ever heard of 1 I told Jones to show him in here." neath might mean a matter of two millions of money to him, and then he stared at the beautiful shoulders on which the words Hardly were the words out of her were indelibly impressed.

"Well, thank God you are safe and

mouth when the butler, who looked as "Thank you," he said at last, and, taking solemn as a muta in his deep mourning, up the lace shawl, he threw it over her again.

tace Messon," in those deep and manding tones which flunkies, and there are their command. The was a moment's pause. Augusta this point: "I have to go to see about the dinner," and before Augusta could interfere she had left the room.

half rose from her chair, and then sat down again; and, noticing her embarrassment, Lady Holmhurst smiled maliciously. Thenin came Eustace himself, looking rather handsome, exceedingly nervous, and beautifully got up—in a specific state of the door behind her, and turned, feeling instinctively that a great crisis in his fortunes had come. There are some men who rise to an emergency and some who shrink from it, and the difference is, that difference between him who succeeds half rose from her chair, and then sat solt cost, with a flower in it.

"Oh! how do you do?" he said to makes life worth living.

Children Cry for Pitcher's Castoria.

Eustace belonged to the class that rives and not to that which shrinks. Augusta, holding out his hand, which she [To be Continued.] "How do you do, Mr. Meeson !" she

A Dangerous Piece of Railway. The recent horror on the Intercolonia railway, which resulted in the loss of twelve

lives and the serious wounding of a large number of people, occurred upon what is known as the St. Charles branch, leading early," he said in great confusion, as he preceived his mistake. "I thought you St. Charles junction. This piece of road, which is only thirteen miles long, cost the would have done breaktast.

"Oh, not at all, Mr. Meesou," said he could have been still more interested.

Agents had just been unfolding that the took the tes, which he did not want to the tes, which he did not want to the tes, which he did He took the tea, which he did not want in the least, and then there came an of last week is attributed to a sharp curve part of her story which dealt with the important document tattooed upon her shoulders, to which Lady Holmhurst had lintened "ore rounds,"

"And so the young man is coming here to morrow morning," said Lady Holmhurst at last.

"Miss Smithers gave you no address, and there are two Lady Holmhursts—my mother-in-law and myself."

"Oh, I looked it out, and then I walk-last night and then there came an of last week is attributed to a sharp curve near St. Joseph station, around which the train attempted to go at a rapid pace. A Quebec paper states that another train jumped the track in trying to get around the same curve not long ago, but fortunately no lives were lost. From the enormous outlay for public money upon the St. Charles branch, one would imagine that it ought to be one of the safest roads in the country.
