FRANCE WILL INVADE MOROCCO.

Determined to Force Redress From the Sultan.

Germany Objects and Serious Complications Are Possible—French Army and Navy Are Ready.

PARIS, Sept. 6.—The government still awaits word from Fez regarding the Sultan's answer to the French ultimatum to Morocco the time limit of which expired yesterday. It is the firm intention of the ministers to enforce redress without reference to outside influences.

Unofficial intimations have been received that Germany does not sympathize with a French military demonstration against Morocco as likely to complicate the general Moroccan question on the eve of the conference. Nevertheless there is a positive determination here to keep the redress of the outrage in the arrest of the Algerian citizen Bouzain entirely separate from the general questions of Morocco and to pursue the question of redress to the end.

Whether both military and naval demonstrations will be made to await the final word from Fez is not yet made known. Both branches of the service are ready for events. TOKIO IS ABLAZE WITH ANGER AT PEACE TERMS.

Riotous Crowds Denounce Government for Humiliating the Country—Police Necessary to Quell the Disturbances.

TOKIO, Sept. 6 (delayed in transmission).—The first turbulence attendant upon the popular anger over the terms of peace arranged with Russia took place today, mass meetings to protest against the action of the government was called to take place at Hibya Park, but the metropolitan police closed the gates and attempted to prevent the assemblage of people. The municipality protested against the action of the police, and finally the gates were thrown open and a large crowd gathered and voted in favor of resolutions declaring the nation humiliated and denouncing the terms upon which the treaty of peace was arranged.

The crowd was serious in its conduct, rather than angry, and the police handled it discreetly. The gathering dispersed in an orderly manner. Later on, however, a crowd attempted to hold a meeting in the Shinjomi Theatre, and the police dispersed it. A portion of the crowd then proceeded to the office of the Kokamon Shinbun, the government organ, and began hooting. The employees of the paper, armed with swords, appeared at the door of the building and checked the attack, and the police again dispersed the crowd. It was thought that the trouble had begun when suddenly a portion of the crowd made a rush at the building, hurled stones and damaged some of the machinery. Several persons were injured during the attack but the police eventually cleared the streets and arrested a number of the rioters. The disorder is not general and the situation is not serious. Similar meetings were held at Osaka, where the government was asked to resign. General sentiment throughout the country seems to favor reactionary measures, but it appears clear that the majority of the people will eventually accept the peace terms. Similar conferences however, disappointing it may be.

YOKOHAMA, Sept. 6.—The peace terms are not known exactly but it is rumored that the abandonment of the indemnity will cause great disapproval. There have been no demonstrations. The people are awaiting the official announcement of the text of the treaty.

NAGASAKI, Sept. 5.—The peace news was received without enthusiasm in the chief centres of Kiushiu. There is a general feeling of chagrin that Japan has been deprived of the rightful fruits of victory but there is disappointment especially at the fact that permanent security from Russian aggression has not been gained.

JAPS IN NEW YORK RESENTFUL.

NEW YORK, Sept. 6.—Paron Komura and minister Takahira, the Japanese peace envoys and suites are expected here this afternoon from Portsmouth. Baron Komura and his suite will occupy the rooms at the Waldorf-Astoria which they had before going to Portsmouth. Mr. Takahira, who lives at the Majestic will join his colleague. It has not yet been decided by the local Japanese, most of whom are deeply resentful over the peace terms, just how they ought to receive the envoys. The trustees of the Nippon Club meet tonight when that point will be settled. "We will know tonight," said a Japanese yesterday, "whether the reception of Baron Komura is to be cold, lukewarm or cordially warm."

PORTSMOUTH, N. H., Sept. 6.—The treaty of Portsmouth was signed shortly before 4 o'clock this afternoon in the conference room of the navy general store at the navy yard. The firing of a national salute of 21 guns was the signal which told the people of Portsmouth, Kittery and Newcaste that the peace of Portsmouth was a reality. For forty-seven minutes those outside the conference room anxiously awaited the signal. Suddenly an orderly dashed to the entrance of the peace building and waved his hand to the gunner a few feet away and the opening shot of the

STORM AND OBSTINATE LABORERS DELAY LOCH LOMOND EXTENSION.

Between the results of Monday's storm and the "obstinacy" of the work men at Loch Lomond the work on the extension is being considerably delayed. It is expected that the extension will be so put back as to make completion this fall impossible.

The rain on Monday flooded the trenches in No. 1 section and floated about five hundred feet of the wood frame of a happy event, in which the principals will be M. Marks Mills, LL. B., barrister, and Miss C. Winnifred Todd, daughter of Mr. and Mrs. Lewis Brown.

On section No. 1 52 Italians have struck for \$3 a day, and seemed inclined to hold out, and all over the works the men are in a similar state of revolt.

INSTRUCTIVE SESSION OF W. G. T. U. CONVENTION.

There was a large attendance of delegates at the W. G. T. U. annual convention when the morning session opened in Union hall.

The meeting opened at nine o'clock with a Bible reading, which was followed by roll call and the reading of the minutes. The reports of superintendents were then received and included press and title scientific conclusions, fairs, Y work, flower, fruit and delicacy mission, petitions and legislation. Mrs. Cabill's report on press and tidings was particularly interesting as was Mrs. McDonald's report on Y work. Mrs. Seymour also read an interesting report on Evangelical Jail and Prison Work, telling of what had been accomplished during the past year.

Mrs. K. L. Stevenson gave a most delightful and instructive Bible reading that held the attention of her hearers
