added, consolingly.

come over here. So of course I came

the perfect dinner faded away.

"Where are you now?" he demanded. "Aren't you at the flat?" "Certainly not," said Mrs. Pen so I had me dinner." hatchet. I'm over at mother's. I

waited until 10 o'clock and then I Mrs. Penhatchet. locked up the house and put the key under the doormat. The girl can get I walked in," said the nonchalant in if she has any sense." Her husband greated, "How on tin' outside the door all day, would

earth is she going to know the key is ye?" there all day. She looked to be just thing else this evening. What is your the sort of girl we have been hunting name?"—Chicago News.

after her, do you?" Penhatchet breathed hard.

Subscription: One shouted into the 'phone. "I'll jump "You stay where you are," he will appreciate your aid. into a taxicab and get right out to the flat and let that girl in. I wouldn't lose her now for anything "

Penhatchet hung up the receiver with a bang and dashed into the street to summon a taxicab, donning There was a cab in sight when he reached the street and in another moment he was tearing toward his distant home, clicking off dimes and quarters on the fare register with

tartling rapidity. He had his head out of the window when the cab turned his corner, but servant greeted his eyes when the steps leading to his flat came into

"She's gone!" he muttered as he umped from the cab and hurried into

The key was under the mat, but as he inserted it in the lock he hesitated. not there what object would he have n going in? It would be simply a waste of time, he decided. Tucking the key into his pocket he slowly climbed into the cab again and bowled back to the office, plunged in bitter

ed-for proposition and spoil every-

light of his life in his usual manner. She was still on guard at her mother's

here by 11 o'clock. I may see some-meet me about dinner time," he said "You'd better come downtown and thing in the advertisements that I will "and we'll dine together. That girl want to go downtown for and I can't went out there, I suppose, and then continued on her way when she found nobody at home."

"Why can't you come up to mother's

"No, not for mine!" announced tention of speeding her on her unfamiliar way. Penhachet was indulout trying to eat in a house where someging in roseate dreams of the dinner body is sick, with everybody waiting she had assured him she was able to on 'em. Your mother can spare you prepare, when the telephone rang and for the rest of the evening and we might as well add on the expense of "Where on earth is that girl you were going to send out to me?" she demanded. "Here it is nearly half a dinner downtown to my cab bill.

The dinner was a success, the check "She ought to have been there long Penhatchet was at peace with all the ago," said Penhachet, "but you know world when they rode home on the I believe I mentioned that hour to rose as she felt assured that they her. She'll be there all right," he would get a maid next day who would be eminently sat sfactory.

"Yes, but 1 won't," said his wife, "I don't care whether we do or not, sharply. "I got a telephone message to tell the truth," said her husband, at half past 9 that mother was down sick with a cold and wanted me to opening the door of the flat. We can scratch along somehow for a few days

He was interrupted by a scream from his wife, who had spied a gaunt Penhatchet grew cold as visions of female figure striding toward them from the rear of the flat.

"Good evenin'," said the figure. "I thought yees were never comin' home "It's the girl!" gasped Penhatchet.

"How did you get in?" demanded "Sure, the back door was open and stranger; "ye wouldn't have me sit-

under the mat?" he demanded. "She Mrs. Penhatchet looked at her husmay be out there now, sitting on the step! Don't you realize that we may have here? She won't wait around thought she detected a malicious gleam in his eye.

'Very well," she said, stifly, to here lose her? She won't wait around new servant. "We won't need any-

"Well, what are you going to do about it?" asked his wife, sweetly. "You surely don't expect me to leave mother with nobody but Brother Jack and the girls and the servants to look and the girls and the servants to look as imple act of 'humanity! Point out this way to quick and certain relief! this way to quick and certain relief!
Surprise some sufferer, by first getting
from me the booklet and the test. He

An Electrical Snow Melter

A Berlin scientist advocates the use of electricity for clearing away snow. "Whatever you think best, dear," He claims that the method is cheaper said his wife, submissively, but don't than the one in vogue. The apparatus blame me if she telephones for a consists of a platform, on to which the moving van during the day and has all our furniture carted off to some some some of the road-wav is shovelled, and beneath which are a series of pockets formed of thin metal kept hot by
