FINANCIAL NEWS AND COMMENT

The Montreal Stock Exchange has decided to permit its members to do business through the committee on the basis of the prices obtaining when business ceased at noon on July 28th last.

Orders consequently can be lodged with the committee tomorrow morning and wherever possible they will be executed.

In Toronto similar action is being taken as regards interlisted stocks—that is, stocks that are common both to the New York and Canadian market—such as C. P. R., Twin City, Mackay, com.; Mackay, pref.; Duluth Superior; Duluth, S. S. & A., com.; Duluth S. S & A., pref.; Detroit United and Minn., St Paul & S. S. M., com.

The following mining stocks may also be traded in: Coniagas, Crown Reserve, Hollinger, La Rose, Nipissing and Trethewey.

Mr. W. R. Houston, secretary of the Exchange, in his notice to members, says: "Buying orders must be for cash and selling orders can only be filed by members covering securities now carried on their books with the object of strengthening accounts not sufficiently margined."

New Manager of Dominion Trust Co.

Winnipeg, Man., Oct. 14.—In succession to the late W. R. Arnold, Mr. C. G Pennock, formerly manager of the Bank of Ottawa here, and later general manager of the Bank of Vancouver, has been appointed managing-director of the Dominion Trust Co.

The auditors report that securities on hand fully protect depositors and creditors.

Mr. Pennock announces that a statement of the financial affairs of all branches of the Dominion Trust Company will be taken as on October 10th. Meanwhile he considers it wise to temporarily enforce the fifteen days' notice rule on deposits.
