Baby's Own Tablets

Are Nature's Cure for Childre

Medicines containing opiates should nev r be a en to hildren—little or big. When you use baby's Own Tablets for you little ones you have

a positive guarantee that they contain neither opiate not harmful drug. They are good for all children, find the smallest, weak at infant to the well grown child. These Tablets quickly relieve and positively cure all stomach and bowel troops as more fevers, troubles while teething, etc. They always do good, the solets to a powder.

Mrs. P. J. Latham, Chatham, Ont., says?—"My baby took very sick. His tongue was coated, his breath offensive, and he could not retain food on his stomach. He also had diarrhea for four or five days and grew very thin and pale. We gave him medicine but nothing helped him until we gave him Baby's Own Tablets. After giving him the first dose he began to improve and in three days he was quite well. He began to gain flesh and is now a fat, healthy boy. I am more than pleased with the Tablets, as I think they saved my baby's life."

"Of course you are. You are Tilda Aun," I said.

The young farmer, whose name Tilda told me was Ernest Haines, came three times a week, and we had roses in the dining room, and roses in the kitchen. I asked Ernest one day if they planted

roses in the fields like potatoe? He laugh ed and said, "No, but we plant them in the garden and all about the house. That is why we call it Rose farm." they never asked me to go. "I would like to see Ross farm," I said. "Well, I will take you out there some
