SACHS BOOK CONSOLATION.
A Romance of the Needle.
BY ROCKABELLOW.

I.

In a snug little cot, not a thousand miles off,
Lived a lonely, contented old "bach,"
Who cooked his own grub and dined by himself,
And had no one to sew on a patch.

II.

With his cat, and his dog, and his little pet mouse,
Our hero, 'twas said, wanted nothing;
But needles were sharp, and would frequently stick,
So he oft went with holes in his clothing.

III

There no doubt were misses and maids quite near
Who would fly to relieve his distresses,
But he oft had decisred he could never abide
The appearance of hoopskirts and dresses.

IV.

Now, this lucky old bachelor heard by a friend,
Or read in his morning journal,
Of the wonderful stitching of sewing machine,
And considered the matter nocturnal.

V.

Having fully determined to get a machine,
He spent a whole day in inspection,
For an hour or so would never suffice
To select from so large a collection.

VI.

For some thought the "Wheeler & Wilson" the best,
And others the "Willcox & Gibbs,"
While others affirmed that the agents of both
Were too much inclined to tell fibs.

VII.

And a few for the "Florence" were ready to fight,
While most liked the "New Family Singer;"
Another said swore the "Osborne" was best,
The last one, I think, was a *shaker*.

VIII.

So first to the "Wheeler & Wilson" he went,
Where he found them making a shirt,
At the end of each seam they used needle and thread,
And by experience he knew they would hurt.

IX.

Then down to the agent of "Florence" he went,
And told him the exact that was stuck,
So the "Florence" a certain advantage had gained
By the feed that could make it sew back.

X.

But our Bachelor friend was dissatisfied still,
For the "Florence" is complicated;
He feared the minutiæ might "get out of fix,"
And could never be wholly redeemed.

XI.

Then they told him another advantage they had
Over other machines in the West,
That *four different stitches* with it they could make,
And from *four* he might sure get the *best*.

XII.

Our hero replied, "What's the use of the *four!*
None of the stitches is *best*.
Why *that* is the right one to use *all the time*,
And what will you do with the rest?"

XII.

The "Howe" and the "Wilson" both vainly he tried,
The "Domestic" and "Osborne" as well,
But the "Howe" was too heavy, the "Wilson" too light,
And the "Osborne" broke down on a fell.

XIV.

The "Finkle & Lyon" or "Vlster" he tried,
The "Rise," "Blase," "Leavitt" and "Weed,"
Till worried and vexed with his fruitless research,
He heard hoped in the end to succeed.

XV.

After trying in vain many other Machines,
Without any hope of success,
He called where the "Singer New Family" was kept,
And they quickly relieved his distress.

XVI.

For here half a dozen machines were engaged
In stitching of different sorts;
Which they did so complete, and with so little noise,
He acknowledged the truth of reports.

XVII.

In lightness of running, in stillness and speed,
In construction so simple, yet strong,
Sure none but the "New Family Singer" would do,
Though he'd searched through the infinite throng.

XVIII.

Then the stitch was so neat, so elastic, so strong
That he vainly endeavored to break it,
And so many advantages in it combined
That he quickly decided to take it.

POINT DUCHENE, N. B., April 23.

The steamer Princess of Wales arrived from Prince Edward Island to-day. She is the first boat of the season. Several schooners are arriving. The weather is fine.

St. George and the Tariff Dragon.

OTTAWA, April 23.

Red roses are at a premium to-day, as the St. George's Society celebrates its anniversary with a procession, religious services, and a sumptuous dinner.

Governor Archibald is expected here soon to testify before the Nort-west committee.

It is generally believed that the proposed sugar and ship duties will be removed, and other portions of the tariff reconstructed. The muddle which Cartwright's bungling has produced causes much chagrin for Government supporters, and excites the pity of opponents.

Mr. W. C. Collier, the obliging and gentlemanly accountant of the Bank of British North America, has been promoted to the position of manager of the Bank of Moutreal. Mr. Collier takes charge of his office on Monday next.

Auction Sales.

Mr. W. D. W. Hubbard offered for sale two lots in St. James street, belonging to the Robinson estate. The only bid was $700, of which $600 would remain on mortgage. As no one would bid higher the auctioneer left Chubb's corner, announcing that the man who offered $700 was out of the city.

Late Trip of the Ferry Boat.

H. McLeod, Esq., has consented to hold the ferry boat for her last trip until Bloodgood's performance is out. This will enable Carleton people to attend and see the whole performance. The arrangement will be in force while the company remain here.

Steamers.

The steamer Empress has been newly painted and fitted up for the summer's business and will take the place of the Scud on and after Saturday next.

Messrs. Small & Hatheway's steamer David Weston is lying at her wharf, Indiantown, receiving freight, and will leave for Fredericton Saturday morning, not to return until after reaching her destination. Messrs. Lunt's boats are also receiving freight at Indiantown, and will probably go up to Fredericton on Saturday.

A despatch to the *News*, from Caraquet, N. B., says a Frenchman named Xavier Paulin was found dead on Sunday, 20th inst., near the residence of Oliver Gillian, on Caraquet Island. Several marks—as though caused by blows from a heavy weapon—were found about his person, and the general opinion formed is that he had been murdered. Paulin and family had been living with Gallian for several years.

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood-purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, Sedative, Counter-Irritant, Sudorific, Alterative and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
