Opportunity of the highest character in Elocution, embracing Bible and hymn reading, under a specialist of provincial reputation, is also afforded.

Business College Courses

Since 1877 a Commercial Department has been conducted in connection with Albert College, and with good success. The College is prepared to give a practical business training, combined with a thorough English Course, unexcelled by any Business College in Ontario, and at moderate rates. One of the paramount reasons why young men and women should take their Commercial Course in Albert College is because they are allowed to take any subjects they wish that are embraced in the Albert College course of study. It is confidently believed that no other Canadian college possesses more complete facilities for promoting the interest of its students.

It is fully understood that the Business School in connection with Albert College is a thoroughly equipped Business School, organized upon the same plan as the largest and most successful Commercial colleges. The improvements in the buildings just completed will make a distinct advancement in the Commercial work of Albert College.
