"O" DIVISION HEADQUARTERS — LONDON, ONTARIO

MARRIAGE Reg. No. 35249, Cpl. M.I. Williams to Sharon Pajunen, on August 3, 1996, at Porcupine.

HIRING AT TLBPIA DETACHMENT? In a time of restructuring, reorganization and just when we thought Toronto Lester B. Person International Airport Detachment (TLBPIA) was closing, they went and hired three new Mounties! Could it be true? Well not exactly. Although three new Mounties were sworn in on June 27, 1996, by Supt. S.L. Bailey, OIC, TLBPIA Detachment, their job description was only for a day... that is, "Junior Mountie For a Day."
