Cordial Rhubarb.

Anti-Cholera Compound

N the present age of humbug it it hard for a genuine preparation, however good it may be, to escape the open or the covert sneer and the muttered condemnatory word " QUACK." that many preparations thoroughly deserve on a count of their utter worthlessness.

imagley's Oordial Rhubarb has however managed not only to escape consure but also to obtain high praise. This it has done simply by being what it purports to be A Reliable Medicine

a specified complaint. It does not propos

cure a dozen different discuses of most opposite natures, but confines itself with great modeste to one particular class of diseases, viz: those arising from a disordered state of the Stomach and Bow-els. This Cordial is therefore good for DIARRICEA, DYSENTERY & CHOLERA It has been used with great success in the EAST INDIES, and having been introduced there by officers at one time stationed in this garrison.

Lately it has found its way to the Coast of Ar-Lately it has found its way to the Coast of Africa, and is there fast becoming esteemed for its curative powers as a specific for Asiatic Cholera.

Each bottle has around it a copy of the "Redcommendations of the Royal College of Physicians on the subject of Cholera"—of itself worth the price of the bottle. Price 50 cts per bottle. A liberal
