**THE LADIES!**

A great London Physician says that he has seen a new and improved method of curing disease produced in Canada by a woman who was very young and very beautiful. This is why we see so many ladies pale, weak, languid, and suffering from headaches and nervousness. They cannot stand the heat of their summer dresses. Many of them have found the means to obtain their falling strength, to give color to their cheeks, and new life and vigor to the body, in Paine's Compound. This preparation is the most remarkable cure. Mrs. W. E. Cooper, of St. Ignace, N. B., Montreal, writes: "I had been afflicted with nervous headache, vertigo, and general debility for several years. My appetite was poor, and my spirits were low. I had been advised to take various remedies, but all to no purpose. I then tried Paine's Compound, and after a few days I felt a great improvement. My appetite was good, and my spirits revived. I am now healthy and happy, and I can truly say that Paine's Compound is the best medicine I ever took." Paine's Compound is a certain cure for the weakness, and new life to the system. Many a Canadian lady has the same reason to be glad. Paine's Compound can be purchased at any drug store for one dollar a bottle. If you cannot get it in your town, order direct from WELLS, RICHMOND & CO., MONTREAL.
