

Thousands Hastened to Their Graves.

By relying on testimonials written in vivid glowing language of some miraculous cures made by some largely puffed up doctor or patent medicine has hastened thousands to their graves; the readers having almost insane faith that the same miracle will be performed on them, that these testimonials mention, while the so called medicine is all the time hastening them to their graves. Although we have

Thousands Upon Thousands!!!

of testimonials of the most wonderful cures, voluntarily sent us, we do not publish them, as they do not make the cures. It is our medicine, Hop Bitters, that make the cures. It has never failed and never can. We will give reference to any one for any disease similar to their own if desired, or will refer to any neighbor, as there is not a neighborhood in the known world but can show its cures by Hop Bitters.

A Losing Joke.

"A prominent physician of Pittsburg said to a lady patient who was complaining of her continued ill health, and of his inability to cure her, jokingly said: "Try Hop Bitters!" The lady took it in earnest and used the Bitters, from which she obtained permanent health. She now laughed at the doctor for his joke, but he is not so well pleased with it, as it cost him a good patient.

Fees of Doctors.

The fee of doctors at \$3 00 a visit would tax a man for a year, and in need of a daily visit, over \$1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save the \$1,000 and all the year's sickness.

Given up by the Doctors.

"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?" "I assure you it is true that he is entirely cured, and with nothing but Hop Bitters, and only ten days ago his doctors gave him up and said he must die, from Kidney and Liver trouble!"

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name.

He that sympathizes in all the happiness of others, enjoys the safest happiness; and he that is warned by the folly of others, has attained the soundest wisdom.

Depend Upon it.

You can depend upon Haggard's Yellow Oil as a pain reliever in rheumatism, neuralgia, and all painful and inflammatory complaints. It not only relieves but cures.

Men are apt to mistake the strength of their feelings for the strength of their argument. The heated mind resents the chill touch and relentless scrutiny of logic.

Ayer's Sarsaparilla has such concentrated, curative power, that it is by far the best, cheapest, and surest blood-purifier known.

A beautiful woman is a practical poem, planting tenderness, hope, and eloquence in all whom she approaches.

Corns cause intolerable pain. Holloway's Corn Cure removes the trouble. Try it and see what an amount of pain is saved.

Handsome women without religion are like flowers without perfume.

S. Chadwick, of Arcadia, Wayne Co., writes: "I have had severe attacks of Asthma for several years. I commenced taking Dr. Thomas' Electric Oil. The first dose relieved me in one hour. I continued taking it in teaspoonful doses for a few days, and have not had an attack of it since, now nearly one year."

Lay by a good store of patience, but be sure to put it where you can find it.

IF A FEW GRAINS OF COMMON SENSE could be infused into the thick noddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives, they would use the highly accreted and healthful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes "good digestion to wait on appetite, and health on both."

Great men often have greater faults than little men can find room for.

An Ex-Alderman Tried it

Ex-Alderman Taylor, of Toronto, tried Haggard's Yellow Oil for Rheumatism. It cured him after all other remedies had failed.

HOT WATER HEATING BOILER!

These Heaters

Are not only the Cheapest Manufactured, they are also the simplest, being easily operated by any one competent to care for a Hall Stove.

WE SOLICIT EXAMINATION

BY THE TRADE.

It will be noted that the proceeds of combustion, after passing through the first row of tubes, pass into a combustion chamber, when after expanding they pass through a second set of tubes, and so on to the exit to chimney flue,
