Mr. A. T. Stuart,  
8 Strachan Ave.,  
Toronto, Ont.

Dear Mr. Stuart:

I have your letter of 27th.  
I now understand better what you wish to see me about,  
but it is something you should take up with the men who  
will thoroughly understand it, in the Hydro organization.  
If you would care to have a talk with Mr. Gaby or Mr.  
Jeffery, I could arrange for you to see either one. Am  
disposed to think Mr. Jeffery would be the better.

Please let me know.

Yours very truly,

AM/E.

Commissioner.
