Mr. L. L. L. Golden,

New York 22, N. Y.

Dear Mr. Golden:

I received your letter of 25th with enclosure of review of "Unrevised and Unrepented" for the Thomson papers. This is fine, and I would not wonder if it won't be of more value as a seller than any others. At least it will reach people who really read the paper and can hardly avoid the review even if they wanted.

Had quite an encouraging word with Mr. Clarke this morning. Apparently sales are keeping up quite well and he thinks they will so continue.

My guess is that the CBC will not accept any radio review from you. They took on a man about as near to an ice man as any speaker they could have selected--that is, so far as I am concerned--when they took MacGregor Dawson. He is the one who came out loud and lefty against me on the Byng crisis, and after had to swallow his words. However, on the whole certainly I have no complaint--no thanks to the CBC. The Montreal Star had an excellent review on the 24th of this month, signed with the initials of the editor. Another is to come in the Queen's Quarterly and also another in the Forum--the latter by Eugene Forsey.

Had a letter from Ray Milner the other day about your application, and I certainly wrote him one back. Am keeping closely in touch with Harry Price.

Very sincerely,

AM/E.
