Sir

I have to acknowledge the receipt of your letter of the 27th ultimo, enclosing accounts for December Quarter last: in reply I have to inform you that the same have been examined and found correct, with the exception of one item of \$10⁰⁰/₁₀₀ in Dr Mackenzie's account for vaccination, the number of Indians vaccinated, and the rate charged should be stated.

In connection with the expense for medical attendants, and medicines for the same Band, I would call your attention to the costs to other Bands for medical services which
