Most Reverend Bishop of Quebec,
FRANCHEVILLE.

II

Cure of Mr. Marsollet, of Quebec

1675

Certificate of his physician, Florent Bonnemere, S. J.

I, the undersigned, certify that I attended Mr. Marsollet, of Quebec, one half of whose body was paralyzed, the right arm and leg being deprived of movement, while the tongue could not pronounce a word without stammering and only with great difficulty. I gave him for a long time all the medicines usually administered in such cases, but without giving him any relief. Seeing this, he implored divine aid and says that he was completely cured in St. Anne's church at Petit Cap, after invoking her. This I have seen and do acknowledge. In testimony whereof I have signed.

FLORENT BONNEMERE,
Practising medicine in Quebec.

III

Cure of Charles Landeron, of Quebec

1684

Relation written by Mr. Thomas Morel, who was then Canon
of the Quebec Cathedral.

In the year 1684, CHARLES LANDERON, son of Etienne Landeron, of Quebec, aged 14 or 15, was almost blind and had to give up his studies at the college of the Rvd. Jesuit Fathers. He returned
