

L. B. Bookcases

Additional ends

An L. B. bookcase, made up of two or more sections, can be divided at any time into smaller bookcases. When this is done an extra pair of ends is required for each additional case. These can be obtained at any time.

Mahogany, Colonial finish, per pair	\$6.00
Oak, antique finish, per pair	5.00

Construction of L. B. bookcases is broadly patented.

Books shown in this catalog are standard editions of Messrs. Houghton, Mifflin and Company,
Boston, Mass., U. S. A.
