

## Diamond Paints for Art Work.

The DIAMOND PAINTS for all decorative or fancy work are unsurpassed. They are sold at ten cents a package, and are equal in quantity and quality to the fifty cent packages of other makers. They can be used for gilding, silvering, bronzing or ebonizing frames, brackets, wooden articles of all kinds, statuettes, metallic ornaments, emblems, paper mottoes, letters, etc.

There is scarcely a household ornament that is not greatly improved by a little tasteful gilding, and many fashionable decorations are more than doubled in value by it.

There is no kind of ornamental work more fascinating to ladies than this, and none more easily executed.

## Lustral Painting.

The cheapest and best paints to use in this art, now so popular, are the Diamond Paints—Gold, Silver, Copper and Bronze. These colors are the ones mostly used, but if others are required they can be got at any art store.

## Repairing Wall Paper.

Nothing is more distressing to the eyes of a tidy housekeeper than to see places where the wall paper has accidentally been knocked off, and the white wall beneath shows so plainly. A ten-cent paper of Diamond Gold Paint will cover hundreds of such spots, and put off for a long time the necessity of putting on new paper. It is very easily and quickly done, and the eye can seldom detect the place.

## Bronzing Chandeliers, Lamps, etc.

In nearly every house there are gas fixtures or lamps that have become decidedly the worse for wear. These can literally be made as good as new by a careful application of the DIAMOND BRONZE or GOLD PAINT. No one who cares for appearances will fail to make use of them, for their application is simple and easy, and the expense inconsiderable.

## Mahogany Varnish for Wicker Work, etc.

Wicker chairs in Mahogany color are very popular now, and many chairs that have become yellow and dark by age can be made as good as new, and in the best of style.

This Varnish, which by one application will give a handsome effect on any article of wicker or wood work, may be made as follows:

Dissolve one package each of Magenta and of Cardinal for Cotton Dyes in one pint good Shellac Varnish.

Apply with a soft bristle or camel's-hair brush.

## PILES.

This is one of the most annoying and most painful of diseases. It is brought on by weakness of the lower part of the bowels, often induced and always aggravated by constipation. It may sometimes be temporarily relieved by external applications, but never cured. It must be treated by a remedy that restores to health the intestinal system, and such a remedy is

## KIDNEY-WORT

G. J. VANDERPOOL, Mukwanago, Wis., says:

"I suffered untold misery with kidney difficulty and piles. No medicine gave any permanent relief. I was urged to try Kidney-Wort, and before the first package was taken I began to feel better; after using three or four packages have recovered. Would recommend it to all who suffer from the piles."

ABRAM MILNE, Madison, Kan., says:

"Have been afflicted with the piles for 20 years. My case was considered hopeless. As a last resort used Kidney-Wort, which completely restored me."

ALBERT M. ROBINSON, Francisco, Gibson Co., Ind., says:

"I have had piles for at least thirty years, have used many remedies, and was treated by a leading physician of the place with little or no relief. I was advised to try Kidney-Wort. The first dose stopped the bleeding and relieved me every day. I have now taken nearly two packages and feel that I am completely cured."

WM. M. WILKINSON, Augusta, Ga., says:

"A friend of mine was afflicted for ten years with piles, could get no relief from doctors or medicine. He was induced to make a trial of Kidney-Wort, and is now cured by its use. I know of another case of cure by the same means."

KATE MATLOCK, Odessa, Lafayette county, Mo., says:

"Have been an invalid for 25 years. In that time have been treated by 19 different doctors. Have had trouble with the kidneys for fifteen years. Have been confined to the bed most of the time for the last two years with pain in the back, sealding and scanty urine, with bloody sediment, constipated bowels and piles. Four doses of Kidney-Wort changed the character of the urine, stopped the bloody sediment; and its continued use established my appetite and cured the back-ache and piles."

MARSH NOE, Chief Fire Department, Davenport, Iowa, says:

"I have been troubled with kidney disease for a great many years, and tried many remedies, but found nothing that gave me relief until I began the use of Kidney-Wort."
