Address THE FARMING WORLD

FOR FARMERS AND STOCKMEN

CONFEDERATION LIFE TORONTO

## This is the Last

No. 214½

This is the last advertisement for Cutters that will appear in THE FARMING WORLD this season, because our entire output is sold. We are now working on Carriages. If you have not bought your Sleigh yet, call on nearest Agent at once, before all his stock is sold; and when buying a Cutter remember that **quality remains long after price is forgotten**, and that we build Carriages as well as Sleighs.
