

Don't Pour Oil on the Fire!

IT'S JUST as FOOLISH

to attempt to quench the fires of disease, to check its onward spread, by using a stimulant as medicine, temporarily, tonic or treatment that depends for its effects upon an artificial stimulant, either from alcohol or other drugs, as it is foolish and foolhardy to **pour coal oil upon a fire to quench the flames. You wouldn't be so foolish - you would pity a person who would - yet that is just what you and thousands of others are doing every day that you pour into your stomachs, that you put into your system, the drugs, tonics, tablets, powders and compounds, made to sell, and to sell only. They only serve to feed the fire, not to quench them.**

Vitae-Ore, Nature's own remedy, offered on 30 days' trial to every reader of this paper, is **not a compound, not a drug, not a stimulant!** It is manufactured in a laboratory, man neither controls, nor directs. Nature's Laboratory, under the supervision of **THE MASTER CHEMIST - Nature.** It was and is intended by her for the stomachs of all mankind, and then adding to it, **one after another, a stimulating ingredient - does not build up temporarily, and then when its effects are worn out and off, leave the system worse off, more a-fire than before.** It builds up a **permanent cure foundation,** and then adding to it, **one after another, a permanent layer, until the structure is complete, and the body is delivered over to the owner's possession - firm, sound and hearty in every muscle, vein and fibre.** It's the way all permanent structures are built - it's the **only right way. Produced by the same immutable, unchangeable natural law** that produced the human organism itself, it supplies to that organism those elements which in poor health are lacking, elements that must be placed and retained in the system if permanent good health is to be enjoyed and Vitae-Ore only can put and retain them there.

If you are all sick and ailing, if you are all run down, if your organs, your blood, your stomach, your heart, your kidneys, are not working right, if you are sick and do not know what is the matter with you, if the doctors cannot and do not tell you, cannot and do not help you, you ought to give this wonderful nature's mineral remedy a trial, and the chance it gives to prove all this to you. If you're not you a penny! The owners take all the risk! What doctor, what hospital, what sanitarium, has ever offered to treat you in this way? What other medicine has ever been so offered? What are to be both Judge and Jury to pass upon it? You have the entire say so. If it helps you, you pay for it - if it does not help you, you do not pay for it. One package, ENOUGH for a month's trial, is all that is necessary to convince you. How can you refuse? If you need it and do not send for it, what is your excuse? You are to be the Judge! BY MAIL, POST PAID.

READ THIS SPECIAL OFFER!

WE WILL SEND to every sick and ailing person who writes us mentioning THE FARMING WORLD a full-sized One Dollar package of Vitae-Ore by mail, post-paid, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand that we ask our pay only when it has done you good, and not before. We take all the risk: you have nothing to lose. If it does not benefit you, you pay us nothing. Vitae-Ore is a natural, hard, adamantite, rock-like substance - mineral-Ore, mined from the ground like gold and silver, and requires about twenty years for crystallization. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral waters drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as **Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility,** as thousands testify, and as no one, answering this, writing for a package, will deny after using. Vitae-Ore has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescriptions which it is possible to procure.

Vitae-Ore will do the same for you as it has for hundreds of readers of THE FARMING WORLD, if you will give it a trial. Send for a \$1.00 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitae-Ore cannot benefit. You are to be the Judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure, and is willing to pay for it, would hesitate to try Vitae-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write to-day for a package at our risk and expense, giving your age and ailments, and mention THE FARMING WORLD, so we may know that you are entitled to this liberal offer.

Health Completely Broken. Suffered for Twelve Years - Now Well and Strong.

I shall feel grateful every day of my life for the great benefit which I and my family have derived from the use of Vitae-Ore. For twelve years I suffered from a complication of troubles caused by overwork. My health was completely broken, and my blood was so poor that I was in an anemic condition. I suffered each year from La Grippe during the cold, damp seasons. I consulted a good physician, who said that what I needed was at least a three years' rest, but with three little children to take home to take care of, that, of course, was out of the question, so I resorted to the use of medicine. Besides my other troubles, I also suffered from Piles, and my doctors told me that this condition could not be cured. I tried numerous advertised patent treatments, as well as a great deal of doctors' medicine, but what little relief I secured was only temporary, and after a while I got so used to drugging that I received no benefit whatever, no matter what I used. Vitae-Ore has completely cured me. I am now well and strong and have been so for months. We find it also an invaluable home remedy, excellent to prevent blood poisoning, boils, etc., and it is a quick healer for coughs, burns and bruises. It is also superior for rheumatism and ear-ache, and it is so easy to keep a supply on hand, and it is the only thing we need in this house.

IN PAIN NIGHT AND DAY.

CURED LIKE MAGIC WITH ONE PACKAGE.

Two years past I was in pain night and day through an attack of Rheumatism that seemed to be chronic and could hardly move my arms or put on my coat without help. I am very glad that I can say that I have now been cured. I had no rest whatsoever for the last two months, which were brought about entirely by the use of Vitae-Ore. I sent you one package of Vitae-Ore, but it worked like magic in my case. I thank God for what it has done for me. I never again will accept of any one suffering with the trouble.

Middle-Aged and Elderly People Should Use It.

As old age approaches the necessity for such a tonic as Vitae-Ore becomes each year more and more manifest. As is generally known, all through life there is a slow, steady accumulation of calcareous deposits in the system, making the transition from the soft, gelatinous condition of infancy to the hard, ossified condition of old age. These calcareous deposits naturally interfere with the functions of the vital organs and when they become excessive and resist expulsion, result in the dryness and stiffness of old age. In early life these deposits are thrown off, but age has not the power to do so unless assisted by some outside stimulant. Vitae-Ore, apart from its powerful disease-curing, health-restoring action is just the ideal stimulant for middle-aged, elderly people, in that it enters the blood, dissolves the hard, calcareous matter, and almost entirely eradicates the ossified deposits so much dreaded by old people. It enriches the blood with the necessary benignant properties, drives all foreign matter from the circulation and prolongs vigor and activity in both men and women to a ripe old age.

NOT A PENNY UNLESS YOU ARE BENEFITED. This offer will challenge the attention and consideration, and afterward the gratitude of every living person who desires better health or who suffers pain, and who has tried the medical world and grown weary of it. We are not for your skepticism, but ask only your investigation, and at our expense, regardless of what ills you have, by sending to us for a package. Address
