SHERBROOKE CO., QUE.

SHERBROOKE CO. QUE. LENNOX'ILLE, gept. do-The equinoctial storm has been quite severe: with some snow and a pointful supply (~ rain, which constrain a good prime to the severe scooper roots, and returns are good on the whole. Butter is slipetily higher, but the dairyman has not made as good profits as usual this year. Election excitement is dving out, and much regret is axpressed.

THE above illustration shows one The above illustration shows one of our Standard Type of Tele-phones for Rural Party Line Service. Our Telephones are the clearest-talking and loudest-ringing telephones on the market.

They are made in Canada, and have many exclusive features-many improvements that add to their efficiency. They are the result of care ful study, by our expert engineers, cf Canadian telephone requirements. Given the severest tests and examined part by part, by men of wide experience in telephone construction, they have been pronounced the highestclass, the most efficient, telephones yet constructed.

Your system requires the highestclass telephones that money can buy telephones that will give the best and longest service-that will save repair expenses-that will cost the least for maintenance; in short, Canadian Independent Telephones.

You may require the services of our Staff of Qualified Telephone Engineers to assist in planning construction or

solving operating problems. Their wide experience and knowledge are at your service without cost to you.

Our large investment in the Independent Telephone business makes us directly interested in seeing that every municipal or local company enters the telephone field along the best and safest lines. A failure would injure directly the independent telephone development and indirectly our business, so that it is to our benefit to lend our strongest assistance to make every independent telephone company a success.

The very fact that our business doubled in volume last year, and is doubling again this year, is surely sufficient proof that the QUALITY of our telephones, and the SERVICE we render, is above par.

There are inferior and cheaper telephones on the market, but we are not competing with them for your tusi-ne:s. We want your business on the basis of SUPERIOR QUALITY and VALUE.

FREE TRIAL

And to eliminate all chance, all possibility of dissatisfaction, we offer to send our telephones for FREE TRIAL.

In addition, we GUARANTEE them for 10 years against defects in material and workmanship. That showsour confidence in cur telephones.
