

Don't Neglect a Cough or Cold

IT CAN HAVE BUT ONE
RESULT. IT LEAVES
THE THROAT OR LUNGS,
OR BOTH, AFFECTED.

**DR. WOOD'S NORWAY PINE
SYRUP IS THE MEDICINE
YOU NEED.**

It is without an equal as a remedy for Coughs, Colds, Bronchitis, Sore Throat, Pain in the Chest, Asthma, Whooping Cough, Quinsy and all affections of the Throat and Lungs.

A single dose of Dr. Wood's Norway Pine Syrup will stop the cough, soothe the throat, and if the cough or cold has become settled on the lungs, the healing properties of the Norway Pine Tree will proclaim its great virtue by promptly eradicating the bad effects, and a persistent use of the remedy cannot fail to bring about a complete cure.

Do not be humbugged into buying so-called Norway Pine Syrups, but be sure and insist on having Dr. Wood's. It is put up in a yellow wrapper, three pine trees the trade mark, and price 25 cts.

Mrs. Henry Seabrook, Hepworth, Ont., writes: "I have used Dr. Wood's Norway Pine Syrup in our family for the past three years and I consider it the best remedy known for the cure of colds. It has cured all my children and myself."

"I am deeply interested in discovering the lost tribes of Israel," said a musty-looking individual, as he sat down beside the busy editor's desk and prepared to read a lengthy manuscript.

"You don't mean to say so," replied the man of resources. "Then why the dickens don't you advertise for them? The business office is on the first floor. Here, Joe, show the gentleman the advertising department."

GOSSIP.

We have received a number of bona-fide testimonials concerning the benefits received from the use of Orange Lily, advertised by Mrs. F. V. Currah, Windsor, Ont.

H. Bollert, of Cassel, Ont., writes: "Maple Grove Holsteins are wintering well, and are still doing fine and profitable work at the pail. The latest sales are: A very choice bull calf to Mr. J. P. Kelly, Hagersville, Ont., to head his fine herd of pure-breds. This calf deserves more than passing notice; his sire is Mercena's Sir Posch, whose dam, Mercena 2nd, made 25.78 lbs. butter in seven days, at five years old, and was sold for \$1,500; his sire, Sir Abbecker Posch, is out of Aaltje Posch 4th, whose public-test record of 8.6 lbs. butter in forty-eight hours stands unequalled in the world. He is full brother to Alta Posch, who holds the world's record for heifer under three years old, with 25½ lbs. butter in seven days. The calf's dam is a very rich and great producing daughter of Sir Abbecker De Kol 2nd, whose dam, Tidy Abbecker, has a record of 25½ lbs. butter in seven days, and she, with her two daughters and two granddaughters, hold the world's record as a family for butter production. The combination of these rich-producing bloods, coupled with his superior individuality, make him one of the most desirable sires of the breed. To Mr. Robert T. Robertson, Bobcaygeon, Ont., a very choice yearling to grade up his dairy herd; to Mr. W. J. Bald, Sebringville, Ont., a very choice yearling to head his small but choice herd of pure-breds. Both these bulls are sired by Mercena's Sir Posch, and, on their dam's side, are of the same family as Mr. Kelly's, but of different branches."

GREENGILL SHORTHORNS.

For many years the Greengill herd of Scotch Shorthorns has been recognized as among the leading Canadian herds, the property of Mr. R. Mitchell & Sons, Nelson, Ont. It will be remembered that for several years Mr. Mitchell, Jr., was among the leading Canadian importers of Scotch Shorthorns, and that many of the extra good ones of Canada and the United States were either imported or bred by this firm. To-day the herd is about 65 strong. A number of the breeding cows are imported, the balance being bred from imported sire and dam. An exceptionally strong bunch of something over twenty head of one-, two- and three-year-old heifers are now on hand, the major part of them being sired by the Marr Princess Royal bull, Imp. Greengill Victor, a bull that, as a sire of choice stuff, has had few equals in Canada. In breeding, they represent such well-known tribes as the Strathallans, Scottish Maids, Orange Blossoms, Cranberrys, Rollas, Jilts, Marr Beautys, Cruickshank Lovelys, Mysies, Duchess of Gwynnes, Rosebuds, Victorias, Village Girls, Clarets and Duchess of Glosters, every one of which are fashionable and noted for their good-doing qualities and thick, up-to-date type. No matter how particular a buyer may be, he can pretty nearly get what he is looking for in this bunch. Any or all of them are for sale. The present stock bull, and the sire of all a year old and under, is the massive roan Broadhooks-bred bull, Imp. Lord Rosebery, a son of the great bull, Challenger. Mr. Mitchell says he is the best sire he ever owned, and, in his opinion, one of the best in Canada. Certainly, he is leaving his get exceptionally straight and even and covered with a wealth of fine silky hair, among which are several young bulls along about six and seven months of age, one of them out of Imp. Rosie, another out of Imp. Rolla, another out of an Imp. Orange Blossom dam, another out of Imp. Cranberry; this is a roan fifteen-months-old, and a good one. Another is out of a Mysie-bred cow; two are out of Orange Blossom cows; the other is out of a Scottish Maid, and, as stated above, all are sired by the old stock bull, now at the head of the herd. All are exceptionally well bred. Their individuality leaves little to be desired, and they will be sold at prices to correspond with the times. Nelson post office and Greengill farm are within about a mile of Burlington Junction (G. T. R.), and some seven miles from Hamilton, Ont.
