## NO LEAK-NO RUST

**STEEL TANKS V. WOODEN**  
The steel tank for water storage is as much superior to wooden tanks as modern steel farming implements are to the crooked sticks of our ancestors in early ages. Wooden tanks are unsanitary and liable to leak. Our steel tanks are all steel of the finest quality—self supporting—surrounded by an iron angle framework with braces added according to size of tank. The angle iron framework ensures absolute rigidity, and the braces added give the tank strength four times in excess of any strain that may be applied.

Guaranteed for ten years but will last a lifetime.

## TRADE TOPIC.

**ANIMAL FERTILIZERS AND FEEDS.**  
—In our business columns this week will be found an advertisement by a well-known packing company, the William Davies Co., Limited, 521 Front street, Toronto. The William Davies Co. is manufacturing, at Toronto, high-grade animal fertilizers, also live stock and poultry foods. The latter are actually foods, not condiments. For these various products, they are prepared to meet the demands from all over Canada. Orders should be sent in early to ensure prompt delivery. With regard to the fertilizers, the claim is put forth that fertilizers of animal origin are the most economical for farmers to use, owing to the presence of organic matter, which makes the plant-food elements more gradually and continuously available. The advantage of organic over inorganic fertilizers, other things being equal, is, we believe, quite generally conceded. As for the feeds, it is sufficient to note that live-stock men and poultry men are realizing more and more the great value of concentrated feed, high in protein and phosphate, such as tankage, bone meal, and the like. The William Davies Co. respectfully solicit the patronage of all live-stock and poultry men, vegetable gardeners, florists, landscape gardeners, greenhouse men, potato, cereal, tobacco, root, sugar-beet growers, etc.; in fact, all interested in materially increasing their returns, either from live stock or farm crops.

## GOSSIP.

W. Monroe, Thorold, Ont., has purchased from the Monroe Estate, the property known as "Elmdale Farms," and will continue to farm the same in conjunction with Mr. Lawless, where a high-class herd of Holsteins is being built up by the selection and breeding of choice stock.

## Priceless Jip.

All night long the folks on the farm Had searched for the little child Who had strayed the afternoon before, And the mother's grief was wild. Neighbors in vain searched wood and dell, The roads, barns, haystacks, even the well.

The peddler's wagon was brilliant red, And yellow its four wheels glowed, It was hung with brooms and shiny tins, And rag sacks were its load, Drawn by gray horses at easy jog, While under it trotted a little brown dog.

"Whoa!" cried the peddler, "What's wrong here?" The mother wept as her arms she tossed. The neighbors answered, "She thinks he's dead— Her two years' old little boy is lost." "Get me his shoes," said the peddler man. "You cannot find him. Here's one who can."

"Come here, Jip! Smell these shoes and see If you can find him. I'll bet he can!" Jip smelled the shoes, then nosed the ground, Then out the gate to the meadow ran, And after the dog the peddler flew, And after him neighbors and mother too.

Jip's sharp nose to the trail he kept, Up hill, down hollow where grass was deep. He knew by the scent where the feet had led, And barked when he found him,—fast asleep, Tear-stained, hungry, and frightened, too, At the barking and shouting, and hulla-baloo.

Baby close in glad arms was clasped, Fed and kissed, while his mother smiled. "A hundred dollars," the father said, "I'll give for the dog that found my child!" The peddler patted the little brown head. "Money won't buy little Jip," he said. —Mary Bailey, in Our Dumb Animals.

# Ruptured People Try this for Relief and Cure

**No Loss of Time from Work—You Keep on Earning Money—No Belt, Elastic, Springs, or Leg-straps to Wear—Sent on 60 Days Trial to Prove It**

You can try this—the greatest boon to the ruptured world has ever known—without having to risk a single cent of your money. It's a way to get well while working. If you don't find yourself getting better right from the first, then it won't cost you a penny.

## You Don't Risk a Penny

This is far more than a truss—far more than merely a device for holding your rupture in place. We are so sure it will work wonder for you just as it has for thousands of others that we want to make a Cluthe Truss or Cluthe Automatic Massager especially for your case and send it to you to test—

And won't cost you a cent if it doesn't result in improvement—if it doesn't keep your rupture from coming out—when you are working, exercising, etc., all day long.

Don't judge this by other trusses. This is the only truss guaranteed to hold. And in addition to that the Cluthe Truss provides the only way ever discovered for overcoming the weakness which is the real cause of rupture.

While taking all strain off the rupture, this truss is constantly strengthening the weak ruptured parts—

Does that by automatically massaging them—this soothing, healing massage does for these parts exactly what exercise does for weak arms—soon restores their lost strength—soon makes them so strong that a truss is no longer needed.

## Curing Begins At Once

This massage is so beneficial—so curative—that 199 people out of every 200 begin to get better and stronger almost the minute a Cluthe Truss is put on—so beneficial that among the thousands of people completely cured by this truss are some of the worst cases of rupture on record.

## Free Book Tells All About It

So that you can judge for yourself, we want to send you—free—our cloth-bound book of advice—it is full of facts for the ruptured never before put in print—facts we have learned during forty years of day-after-day experience.

It explains the dangers of operation. Explains why wearing ordinary trusses is simply slow suicide. Tells why drug-stores should no more be allowed to sell trusses than a schoolboy would be allowed to perform an operation. Also exposes the fake "methods," "appliances," "plaster pads," fake "free cures," etc.

And it tells all about the Cluthe Massaging Truss—how little it costs—how it ends all expense—how it is waterproof and can be worn in the bath—how it has no belt, elastic band, springs or leg-straps—no "harness" of any kind. And it tells how you can get a Cluthe Truss on 60 days trial without risking a penny.

Book also tells—in their own words—the experiences of many who have tried this truss—gives the names and addresses of over 4,000—probably some of them right in your neighborhood.

Simply say in a letter or postal "Send me the book." Address us giving our box number—
