AERMOTOR PURCHASERS

wear the Aermotor smile, for each year this wonder of mechanical inventions saves to them sums in cash ranging from one hundred dollars upward. In the meantime the non-user loses a similar amount in cash, a large portion of health and strength which ought properly to be reserved for other things. This is no "fairy tale," but the result of actual demonstrations in the windmill field. Chicago Aermotors are springing up rapidly all over the West, but we want YOUR trade, and shall very much appreciate your request for our Windmill Book.
