

Editorial Notes, &c.

JOURNALS.—We direct attention to our advertisement in the General Conference Journals which are expected at this office immediately.

CATALOGUES OF OUR NEW AND REVISED STOCK in the Book Room are now published. We give the substance of the Catalogues on our fourth page. Of course we can only give comparatively few of the number. Catalogues of our large stock of Sunday School Books may also be obtained on application.

NEW SUBSCRIBERS come in well. After this issue will be printing seven reams of paper each week. Our friends are determined to make us enlarge, and we will be glad to obey them. Give us your aid the few remaining weeks of this year, Brethren.

ANOTHER INTERESTING ONTARIO LETTER has reached us too late for this week's issue. THE NEW CANADA METHODIST MAGAZINE has been issued, that is, the first number, and is really a gem in its way. Mr. Dowd leads off, followed by the Rev. J. A. Williams, Mr. Withrow and several others. Next week we will publish for our readers, from the pages of this stranger, Mr. Eby's paper on "My first Christmas in Germany,"—a juicy, sweet piece of narrative writing, worth itself a year's subscription.

THE "MISSIONARY STATISTICS" from Mr. Boyce are placed under the direction of Dr. Peckard. They will be forwarded to those who wish to see them. We fear that the junior ministers can scarcely obtain them, as the number will be inadequate.

HALIFAX WESLEYAN CITY MISSION.—Sermons on behalf of the Halifax Wesleyan City Mission will be preached in all the Methodist Churches in this city next Sabbath, and collections taken up in aid of the funds of the Missions.

JOHN A. BELL, Esq., has been, we are glad to see, elected Auditor of Halifax by the City Council.

THE Secretary of the Nova Scotia Auxiliary Bible Society requests that all subscriptions from the Branches and list of subscribers be forwarded by the close of the year in time to be acknowledged in the Report now about to be printed.

WANTED.

Immediate assistance to save our damaged Church at Brier Island from ruin. Bro. Brunyate writes:—

In consequence of the late storm on the 23rd Nov., much damage has been done to the Church here; which will involve rather a large sum from our people to repair it. And unless we can receive some help from our friends, the Church must remain as it is, with the rain coming through the roof,—almost without covering. Our people are willing to do all they can, so for their assistance will be glad. I should be thankful to receive any assistance for this peculiar case of need.

News in Brief.

NOVA SCOTIA.

OBITUARY.—Miss Isabella Cogswell died at her residence, Jubilee Road, yesterday, after a lingering illness. She was daughter of the late Hon. H. R. Cogswell and was distinguished for her piety, which she assisted every worthy charity. The poor of the city of Halifax and vicinity have lost in her one of their best friends.

Rev. Dr. Warren, Curate of St. Paul's church and minister on Thursday evening. He preached last Sabbath and was out on Tuesday, but in rather indolent health, having for some time suffered from an affection of the kidney. Since his recovery, he has been a few years he has endeavored himself to a large circle of friends, who will regret the loss of a good and noble man.

DEATH OF MR. McHEFFRY.—We deeply regret to have to record the death at Windsor on Saturday, of Hon. Richard A. McHeffry, a member of the Legislative Council and of the Provincial Government. Mr. McHeffry was born in the township of Windsor and during his long life of 73 years was closely identified with its agricultural interest. He was for many years a leading member of the Provincial Board of Agriculture, and in that in his other positions was always regarded as a worthy representative of the farmers of the country. For twenty years he was in the Legislative Council. With the Anti-Confederate party triumphed at the elections in 1867, Mr. McHeffry was sent for by the Lieutenant Governor to form a new Administration. He took a place in the new Government, without office, and held it up to the time of his death. As a public man, he was ever honest and consistent. In private life he was one of the best of men, beloved by all who knew him for his kind heart and genial manner. Few men who have passed away will be more deeply and sincerely regretted than Richard A. McHeffry.—Chronicle.

NARROW ESCAPE FROM DEATH.—On Thursday, the 26th ult., Captain B. N. Banks had a very narrow escape from death near Falmouth, Hants County, when his son was overboard in a large boat; when at the mouth of Church's Creek the boat struck in the mud, and Captain Banks attempted to wade ashore, but sank in the mud up to the armpits, where he remained supported by an oar, over three hours before assistance reached him. It is assumed that he would have drowned him.—Id.

THE Yarmouth Herald says Mr. William A. Kilian of Session Hill has just slaughtered a cow, six years old, which is said to be the largest cow ever raised in Yarmouth. The cow weighed 664½ lbs., the hide 86 lbs., and the tallow (after being tried) 62½ lbs.

THE GRANVILLE STREET BAPTIST.—An event of unusual occurrence took place yesterday morning in the Granville Street Baptist Church, at the conclusion of the morning service—namely so far as the numbers which were concerned in it—viz., the reception into the church of 28 persons. The band of following ship was given by the pastor, Rev. E. M. Saunders, who in the evening baptized eleven more. The interest in the special services held in this church has increased rather than diminished; and to-morrow is to be observed as a day of fasting and prayer.—Id.

NEW BRUNSWICK.

FIGHT WITH AN EAGLE.—The other day an eagle visited the premises of Sheriff Bradford, and seized a goose; a little girl of the Sheriff's who was playing near by, picked up a stick and ran to the rescue, but his English undertook to handle both child and goose, and made an attack on the former, who defended herself with the stick and gave the eagle, when her mother ran to her assistance. The eagle then did not leave the field until the arrival of the man in charge of the Sheriff's farm. The following day the eagle visited the farm of Joseph Cook, and was shot by his son. He measured 7 feet, tip to tip, between the wings. It has been stuffed by Prof. Burwash for Mount Allison Museum.—Chignecto Post.

THE BIG SHIP'S CARCO.—The W. D. Lane, which, like the ship of which our friends across the Bay are so proud, took her departure yesterday as before reported. She has a cargo of 975 standard of deals, an enormous quantity, but not the largest taken from the port, as some of our papers have said. The ship Denmark, took about 100 tons when she was here last in 1872. The cargo in the W. D. Lane is valued at about \$21,000. The ship had a small company on board, thirty-three persons in all.—St. John's Globe.

TRouble WITH THE NAVY.—The *Carleton Place Sentinel* says that it was rumored that the navy on the B. N. Railway, have taken charge of the line and blocked it up with gravel at a point just above the Benrimun, thus locking up the train that went up on Wednesday night.

A VERDICT OF MANSLAUGHTER has been rendered by the jury in the case of George Blair, a convict, who was charged with the murder of Michael Patrick Toole, in St. John. A recommendation for mercy accompanied the verdict. The prisoner manifested no emotion, and was immediately remanded to jail. Sentence was expected to be pronounced to-day.

FAMILY LETTER COURSE.—On Saturday evening, J. H. Fitcher, Esq., of Charlotteville, gave a large audience. Rev. Mr. Teed occupied the chair. Mr. Fitcher's subject was "Orders of Nobility," which he treated in an able and eloquent manner. At the close of the lecture Drs. Waddell and McFarland complimented the lecturer in warm terms.

THE *Charlottetown Patriot* indignantly denounces the statements recently made in the P. E. Island papers in regard to robberies and burglaries.

S. E. BURWELL, of Fingall, Ont., writes:—Last autumn I was suffering from a severe cold which settled on my lungs and produced a distressing cough, for which I gave trial to a number of Cough Medicines but without any benefit. I at last tried one bottle of Allen's Lung Balsam, which I am happy to be able to state gave me almost immediate relief and formed a perfect cure in a short time.

Cases in which the heart is weak and irregular in action are soon relieved to health and regularity by Dr. Allen's Lung Balsam. As persons who are afflicted with this trouble are most susceptible to the influence of cold, it is in the advent of the cold season of use is especially advised.

MONTREAL, June 12, 1873.

MESSES. T. GRAHAM & SON. I had for twenty years been subject to frequent and severe attacks of Rheumatism, and had so prostrated me that it was only with the assistance of a crutch and a cane that I could leave my chair or move about my room. Of the many remedies I had used and means I had tried, nothing done me any permanent good until nearly two years ago, when a friend brought me a bottle of your Pain Expeller, and at her request gave it a trial, although without any confidence or hope of a cure.

The result of its use has been most satisfactory. It has freed me of rheumatic pains, and although the cartilages of many of my joints have been greatly enlarged, I can easily walk five or six miles without using a cane, a result that has astonished my acquaintances, and a knowledge which has induced many others to try it, and all that have used it speak highly of it.

I can confidently recommend it, and willingly satisfy any one of the facts of this case by calling upon me. No. 92½ Craig Street, Montreal.

The great modern remedy for Coughs, Colds, Consumption, Asthma Croup and Bronchitis. It is recommended by Physicians everywhere, who are acquainted with its merits. Dr. A. L. SQUIBB, of Cincinnati, Ohio, says: "I have used it on my children, and it has done more for them than any other medicine I have ever used. For Coughs, and all the early stages of Lung complaint, I believe it to be a certain cure; and every family would keep it by them, ready to administer upon the first appearance of disease about the lungs. LIEBIG'S LIQUID EXTRACT OF BEEF.

BESIDES the Condensed Beef prepared from the best parts of the Animal, the preparation contains Quinine, Ferrous Bark, and numerous herbs and roots grown for their tonic and health giving properties. This is the only Condensed Beef that does not require cooking or warming. It was especially manufactured under the direction of Baron Von Liebig, before the late Franco-Prussian war, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetizer, and its nutritive properties are sufficient to sustain the body without the addition of solid food. It is recommended by the Faculty in preference to anything else as the best remedy for Consumption, General Debility, Loss of Appetite, Lassness of Spirit, Indigestion, Dyspepsia, Languor, Fever, Ague, Cholera, all Female and Children's Maladies, Sick Headache, Sea Sickness, Influenza, &c. Thoroughly Restores the System. There is only one Liquid Extract of Beef in existence.

Baron Justus Liebig, M.D. F.R.S., Professor in the University of Munich.

OPINION OF THE MEDICAL MEN OF HALIFAX.

In Dyspepsia, Typhoid Fever, and every depressing disease, its use is attended with great advantage and will be found invaluable in Country Districts where fresh Beef cannot be easily procured.
