

The Man Who Looks For "Something For Nothing"

or is satisfied with a cream separator simply because its delivers cream from one spout and skim milk from another,

DOES NOT BUY A DE LAVAL SEPARATOR

He gets the "cheap" kind, and acquires experience, which is mostly profitable to the fellow who builds the cheap machine.

DE LAVAL SEPARATORS

are made for folks who demand the best. They possess all that is possible of efficiency, convenience, strength and symmetry, and are the product of factories having too much at stake to sacrifice an earned reputation for uniform excellence, to a desire for larger profits.

Get a De Laval and be sure you are right: its merit makes a dollar look like thirty cents.

WANTED TO-DAY 100,000 FARMERS

TO INVEST ONE CENT IN A POSTAL CARD

Address it to me.
Say on it:
"Send me your SPECIAL 20,000 Bike Harrow Cart Proposition"
You will be glad afterwards if you do it to-day.
Yes, sir!!!
It will pay you big.
My proposition gives you a chance to get the best harrow cart ever built on two wheels for nothing.
It's so good you can't afford to walk.
It's a big undertaking for me to sell 20,000 carts, but my proposition is doing it.
It's a little out of the ordinary.
Get in on this 20,000 cart deal while it lasts.
It only costs you one cent to get the proposition.
I leave it entirely to you if it is not just a little bit the most interesting harrow cart proposition you ever heard of.
Drop me a postal if you don't write another one for six months.
Don't buy a cart of any make, kind, brand, or at any price until you first get my proposition. I will then leave it entirely with you to be the judge.
I know what you Canadian farmers need in a harrow cart. I have built and sold more harrow carts than all other manufacturers put together and am selling them only direct from my factory to your farm.
I own and operate a large farm at Lajord, Sask., near Regina, and know what is required of a harrow cart in Canada.
I know there is no harrow cart built that will begin to equal the Bike and meet your requirements like it.
It is a high wheeler with a positive lock, just right for rough ground.
I will carry a large stock at Regina and can ship quick.
Write me to-day. It's interesting.
