

There's a Difference in Corsets

that can only be detected by the trained corsetiere or those closely connected with the industry. Ask any corsetiere and you will be told that this "difference" amounts to a real superiority of style, design, finish and comfort in

FROLASET CORSET

Pronounced Fro-La-Say Front Laced

They are different from other corsets in that they are more scientifically designed, fit better, provide more real physical comfort, and yet are moderate in price. Splendid values. Fittings by our experienced corsetiere insure the right model for your figure.
