

Reasons why you should use the  
**"Marshall Process" Wick**  
 (Patented)  
 in your Lamps.

Because it possesses the highest capillary power of any wick made.  
 Because it requires but little trimming or care.  
 Because its combustion of petroleum oils is perfectly odorless.  
 Because it does not clog.  
 Because the flame it produces has no creeping tendency.  
 Because it produces the whitest light of the greatest illuminating power.  
 Because it is a non-conductor of heat, a preventive of overheated lamps.  
 Because it is used and endorsed by the leading Lamp and Lantern manufacturers, and sold by the leading jobbers throughout the United States.  
 Write to us for samples, prices, and all information. We sell the "Marshall Process" Wick for every style of Burner and Oil Heater in the Market.
