Downweight is a Thief

Stealing Your Profits
Every Time You Use
Your Scales.

The Toledo Springless, Automatic, Computing Scale, "The Scale with Brains," is the only scale in the world that positively stops the giving of **DOWNWEIGHT**. It is the only Automatic Computing Scale in the world without springs. No hand operation in weighing; no price to set; no levers to move; no weights to lift; no poises to shift; you simply place the article to be weighed on the scale, and the scale instantly and automatically shows in plain figures:

1. The weight of the article in pounds and ounces.
2. The price per pound.
3. The total value of the article in dollar and cents.

It is a mechanical wonder, marvelous in its Simplicity, Sensitiveness, Accuracy and Rapidity of Operation. Made in many styles and sizes for all kinds of stores. Write to-day for illustrated catalogue.

We want your judgment.

We want to have our Marguerite Cigars judged by every grocer in Canada. If there's a groceryman anywhere, selling tobaccos and cigars, who hasn't handled "Marguerites" we'd like to hear from him.

Our firm belief is that this cigar represents the very best value obtainable. We've been long enough in the business to know all about tobacco, and there isn't a leaf put into a Marguerite Cigar we'd be ashamed to show any customer. Take a trial lot. Test them, and let your customers do the same. We stake our reputation

on **"Marguerite"**
Cigars.
